6:04 ITEM 1A - APPROVED INTRODUCTION - **ORD. 16-07**, OA2016-01, APPROVING AMENDMENTS TO THE CLOVIS DEVELOPMENT CODE AS A SEMI-ANNUAL CLEANUP TO ADDRESS TYPOGRAPHICAL, GRAMMATICAL, AND CONTENT ERRORS AND TO ADDRESS REQUIREMENTS RELATED TO GROUP HOUSING, INCLUDING THOSE REQUIRED FOR THE GENERAL PLAN HOUSING ELEMENT. CITY OF CLOVIS, APPLICANT.

City Planner Bryan Araki presented a report on a request to approve amendments to the Clovis Development Code as a semi-annual cleanup to address typographical, grammatical, and content errors and to address requirements related to group housing, including those required for the General Plan Housing Element. The City of Clovis is processing an Ordinance Amendment to address typographical, grammatical, and content errors to the new Development Code discovered after its adoption in October 2014. In addition, text changes are needed to the Group Housing section to address

inadvertent omissions, changes in the law, and Housing Element requirements. Modifications are summarized in the staff report. There being no public comment, Mayor Magsig closed the public portion. Discussion by the Council. Motion by Councilmember Ashbeck, seconded by Councilmember Flores, for the Council to approve the introduction of Ordinance 16-07, OA2016-01, approving amendments to the Clovis Development Code as a semi-annual cleanup to address typographical, grammatical, and content errors and to address requirements related to group housing, including those required for the General Plan Housing Element. Motion carried 4-0-1 with Councilmember Armstrong absent.

6:09 **ITEM 1B1 - APPROVED - RES. 16-43**, AN ENVIRONMENTAL FINDING OF A MITIGATED NEGATIVE DECLARATION FOR GENERAL PLAN AMENDMENT GPA2015-04, REZONE R2013-10, AND CONDITIONAL USE PERMIT CUP2015-05; **AND ITEM 1B2 - DENIED - RES. 16-XX**, GPA2015-04, A REQUEST TO AMEND THE GENERAL PLAN TO CHANGE THE LAND USE DESIGNATION FROM "OFFICE" TO "GENERAL COMMERCIAL."; **AND ITEM 1B3. DENIED - ORD. 16-XX**, R2015-10, A REQUEST TO REZONE FROM THE C-P (OFFICE PROFESSIONAL) ZONE DISTRICT TO THE P-C-C (PLANNED COMMERCIAL CENTER) ZONE DISTRICT; **AND ITEM 1B4 - DENIED - RES. 16-XX** CUP2015-05, A REQUEST TO APPROVE A DRIVE-THRU/DRIVE-UP USE FOR A PHARMACY PROPOSED ON THE EAST 1.84 ACRES AT THE SOUTHWEST CORNER OF SHAW AND ARMSTRONG AVENUES.

Associate Planner Orlando Ramirez and City Planner Bryan Araki presented a report regarding various items associated with 7.22 acres of property located at the southwest corner of Shaw and Armstrong Avenues. The applicant is requesting a General Plan Amendment from the Office designation to the General Commercial designation. With future development, the applicant anticipates completion of the overall site with a pharmacy at the corner of the project and office related uses along the remainder of the project. Approval of this project would permit the applicant to move forward with the development of the site. The First General Plan Amendment Cycle of 2016 includes this proposal to amend the Clovis General Plan to re-designate the approximately 7.22 acres of property located at the southwest corner of Shaw and Armstrong Avenues to a Planned Commercial category. Planning Commission and staff recommend that the City Council adopt a Mitigated Negative Declaration for GPA2015-04, R2015-10 and CUP2015-05, pursuant to CEQA Guidelines; and Deny GPA2015-04, subject to the conditions listed in Exhibit "A;" and Deny R2015-10; subject to the conditions listed in staff report Exhibit "A-1;" and Deny CUP2015-05, subject to the conditions of approval listed in staff report Exhibit "A-2."

Bill Robinson, representing the applicant, commented on and spoke in support of the project. Jim Halverty, speaking on behalf of Rite Aid, spoke in support of the project. George Aruso, representing Ginder Development, commented on the process and project. Rick Ginder, property owner, spoke in support.

Jim Garcia, Hector Luna, resident, Gale Pasera, spoke in opposition due to concerns with light, noise, traffic, and that the project does not fit the neighborhood.

Discussion by the Council.

*****PRELIMINARY - SUBJECT TO APPROVAL***CC-A-1**

Motion by Councilmember Whalen, seconded by Councilmember Ashbeck, for the Council to approve an Environmental Finding of a Mitigated Negative Declaration for General Plan Amendment GPA2015-04, Rezone R2013-10, and Conditional Use Permit CUP2015-05. Motion carried 4-0-1 with Councilmember Armstrong absent.

Motion by Councilmember Whalen, seconded by Councilmember Ashbeck, for the Council to deny GPA2015-04, a request to amend the General Plan to change the land use designation from "Office" to "General Commercial" without prejudice. Motion failed with Mayor Magsig and Councilmember Flores voting no, and Councilmember Armstrong absent.

- CITY OF CLOVIS - REPORT TO THE CITY COUNCIL

TO: City Council

FROM: Administration

DATE: April 4, 2016

SUBJECT: Approval – Res. 16-____, Confirming Assessments for Unpaid Administrative Citations for Violations of Clovis Municipal Code Sections 5.27.101, 5.27.102 and 5.27.103, Unlawful Property Related Nuisances, 162 N. Peach Avenue, Clovis, CA, APN No. 410-361-21

CONFLICT OF INTEREST

None

RECOMMENDATION

For the City Council to approve the Resolution Confirming Assessments for Unpaid Administrative Citations for Violations of Clovis Municipal Code (CMC) section 5.27.101, 5.27.102 and 5.27.103, Unlawful Property Related Nuisances, and authorizing the filing of a Notice of Lien on property located at 162 N. Peach Avenue in the City of Clovis for nonpayment of the fines.

EXECUTIVE SUMMARY

The Clovis Police Department issued numerous administrative citations to the owner of a residential property located at 162 N. Peach Avenue ("Property") for continued violations of CMC section 5.27.101, 5.27.102 and 5.27.103, Unlawful Property Related Nuisances. The total fines amounted to \$69,700.00, none of which have been paid. Pursuant to the City's Cost Recovery Ordinance (CMC Chapter 5.29), the City may

record a lien on the Property for the unpaid Citations upon the City Council's confirmation of the amount of the assessment pursuant to CMC section 5.29.109(c).

BACKGROUND

There have been two fires at that location over the past two years. On February 23, 2014 Clovis Fire Department responded to a structure fire at 162 N. Peach. Damage to the home was extensive to the second story including roofing and rear walls. On January 11, 2015 a second fire occurred at the same address further damaging the home to the point that it was uninhabitable due to worsening structural conditions and potential of collapse from a roof mounted A/C unit. Mr. Waters currently lives in an accessory unit in the rear of the property.

Due to inactivity of the property owner to clean the property up, in November 2015, Code Enforcement began issuing citations. On March 24, 2016, a City Building Inspector did inspect the property and noted that some clean-up had begun on the interior of the home. While some clean-up of the interior had begun, most, if not all, of the areas identified below are still current.

The Property owner, Mark Waters, has caused or allowed the following conditions to exist on the Property:

- (1) Building Materials, Household Fixtures and Equipment: used or damaged lumber, junk, trash, debris, concrete, scrap metal, salvage materials and abandoned, broken, discarded or unused furniture, appliances, sinks, toilets, cabinets, or other household fixtures or equipment (i) stored so as to be visible at ground level from a public street, alley or from adjoining property, or (ii) stored in a manner out of view but in an unsecured area accessible to minors, or (iii) stored in a manner as to harbor rodents, insects, or other vermin;
- (2) Deteriorated Buildings: buildings which have become so deteriorated as to permit decay, excessive checking, cracking, peeling, chalking, dry rot, warping, or termite infestation;
- (3) Deteriorated Improvements: walls, fences, hedges, driveways, sidewalks, walkways, and similar improvements which have become deteriorated, hazardous, defective, or unsightly;
- (4) Landscaping: front and visible side yards without acceptable landscaping, except for improved surfaces such as walks and driveways;

(5) Safety Hazard: the maintenance of property in a manner that presents an imminent safety hazard and/or creates a present and immediate danger to life, property, health or public safety;

(6) Garbage: no person in control of any lot or parcel of land within the City, whether such person is the owner, agent, or tenant, shall maintain, permit, or allow any refuse matter, garbage, or filth which is hazardous to public health or safety to exist on such premises;

(7) Refuge for vermin: dead, decayed, diseased or hazardous trees, weeds, grass, rubbish, refuse, dirt, debris, or any other matter or material which may provide a breeding place or refuge for rodents, insects, or other vermin;

(8) Fire hazard: weeds, rubbish, refuse, dirt, debris, or any other matter or material which may become a fire or health hazard.

The above identified nuisances have existed on the Property for well over one year and the City has repeatedly attempted to work with Mr. Waters to address them. In fact, in response to Mr. Waters pulling permits to repair the Property, the City placed its code enforcement action on hold for more than six (6) months. During this time period, Mr. Waters failed to abate all of the nuisances identified above. Due to Mr. Waters' willful disregard of the requirements of the Clovis Municipal Code, the City had no alternative but to commence a code enforcement action against him.

The Clovis Police Department issued numerous administrative citations ("Citations") to the owner of the Property for the continued violations of CMC section 5.27.101, 5.27.102 and 5.27.103, Unlawful Property Related Nuisances. The Citations were not appealed by the Property owner. The Property owner has not paid any portion of the fines, which total \$69,700.00.

PROPOSAL AND ANALYSIS

Pursuant to the City's Cost Recovery Ordinance (Chapter 5.29 of the CMC), upon the City Council's confirmation of the amount of the assessment, after notice is given to the property owner and holders of any mortgage or deed of trust, the City may record a notice of lien in the office of the County Recorder, creating a lien on the property which may be enforced either by collection with the County property taxes, or by foreclosure.

Notice was provided to the property owner and the holders of a trust deed on the property by letter dated March 18, 2016. This notice, along with the administrative citations and the proposed notice of lien are attached as exhibits to the Draft Resolution.

FISCAL IMPACT

Potential collection of fines and fees in the amount of \$69,700.00.

REASONS FOR RECOMMENDATION

The issuance of the administrative citations and imposition of the fines and fees are in accordance with the provisions of the CMC. The Property owner failed to pay sustained fines. One method of collection is through the lien process.

ACTIONS FOLLOWING APPROVAL

If approved this evening, staff will record the notice of lien and take any other appropriate actions necessary to collect the debt owed to the City.

RESOLUTION NO. 16__

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CLOVIS
CONFIRMING ASSESSMENTS FOR UNPAID ADMINISTRATIVE CITATIONS
FOR VIOLATIONS OF CLOVIS MUNICIPAL CODE SECTIONS 5.27.101,
5.27.102 AND 5.27.103, UNLAWFUL PROPERTY RELATED NUISANCES, 162
PEACH AVENUE, CLOVIS, CA, APN NO: 410-361-21**

WHEREAS, the City has found numerous violations of Clovis Municipal Code (CMC) sections 5.27.101, 5.27.102 and 5.27.103 (Unlawful Property Related Nuisances), at 162 Peach Avenue, City of Clovis, 93611 ("Property"), resulting in the issuance of numerous administrative citations for said violations for a total amount of \$69,700.00; and

WHEREAS, copies of the numerous administrative citations are attached hereto, and incorporated herein by reference, as **Exhibit 1** ("Citations"); and

WHEREAS, no appeal of the Citations was filed by the Property owner; and

WHEREAS, the Citations have not been paid nor any part thereof; and

WHEREAS, the City scheduled April 4, 2016, as the time for the City Council to consider and confirm the amount of the fines, late fees and charges ("Assessment"); and

WHEREAS, the City provided notice by letter ("Notice") to the owner of the Property (Mark Waters), and the identified lien holder (HSBC Mortgage Services, Inc.) at least 15 days before the date of the Council's consideration of the assessment. A copy of the Notice is attached hereto as **Exhibit 2**.

WHEREAS, the Notice informed the owner and lien holders that the Council would be considering the Assessment during the Council's April 4, 2016 Council meeting.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Clovis as follows:

1. Confirms the amount of the Citations (\$69,700.00).
2. Authorizes the filing of Notice of Lien on the Property in the Fresno County Recorder's Office which shall become a special assessment against the Property, and may be added to the next regular tax bills levied against the Property, and collected at the same time and in the same manner as the County collects property taxes. The Notice of Lien shall be in substantially the form attached hereto as **Exhibit 3**.
3. Authorizes the City Manager and his designee(s) to take whatever actions are necessary and appropriate to perfect the recording of the Notice of Lien and collect the amounts due under the Assessment, which may include, but are not limited to ensuring that the Costs are

added to the next regular tax bills and collected with property taxes, or by judicial foreclosure or other sale, or any other means provided by law.

4. Nothing in this Resolution or in the filing of the Notice of Lien shall preclude the City from collecting the Costs in any other lawful manner, including collecting the Assessment as a debt against the responsible owner.

The foregoing resolution was introduced and adopted at a regular meeting of the City Council of the City of Clovis held on the 4th day of April, 2016, by the following vote to wit:

Clovis, CA 93611

NOTICE TO ABATE PROPERTY NUISANCE

162 N. Peach Avenue
Clovis, CA 93611

To Mr. Waters:

NOTICE

NOTICE IS HEREBY GIVEN THAT, pursuant to Clovis Municipal Code section(s) 5.27.101, 5.27.102 and 5.27.103, the City of Clovis ("City") found that the property located at 162 Peach Avenue, Clovis, CA 93611 ("the Property") constitutes a public nuisance requiring immediate abatement.

The following conditions are considered nuisances, subject to abatement and cost recovery pursuant to Chapters 28 and 29 of Title 5 of the Clovis Municipal Code, and are found to exist on the Property:

- (1) Building Materials, Household Fixtures and Equipment: used or damaged lumber, junk, trash, debris, concrete, scrap metal, salvage materials and abandoned, broken, discarded or unused furniture, appliances, sinks, toilets, cabinets, or other household fixtures or equipment (i) stored so as to be visible at ground level from a public street, alley or from adjoining property, or (ii) stored in a manner out of view but in an unsecured area accessible to minors, or (iii) stored in a manner as to harbor rodents, insects, or other vermin;
- (2) Deteriorated Buildings: buildings which have become so deteriorated as to permit decay, excessive checking, cracking, peeling, chalking, dry rot, warping, or termite infestation;

Limited Liability Partnership

- (3) Deteriorated Improvements: walls, fences, hedges, driveways, sidewalks, walkways, and similar improvements which have become deteriorated, hazardous, defective, or unsightly;
- (4) Landscaping: front and visible side yards without acceptable landscaping, except for improved surfaces such as walks and driveways;
- (5) Safety Hazard: the maintenance of property in a manner that presents an imminent safety hazard and/or creates a present and immediate danger to life, property, health or public safety;
- (6) Garbage: no person in control of any lot or parcel of land within the City, whether such person is the owner, agent, or tenant, shall maintain, permit, or allow any refuse matter, garbage, or filth which is hazardous to public health or safety to exist on such premises;
- (8) Refuge for vermin: dead, decayed, diseased or hazardous trees, weeds, grass, rubbish, refuse, dirt, debris, or any other matter or material which may provide a breeding place or refuge for rodents, insects, or other vermin;
- (9) Fire hazard: weeds, rubbish, refuse, dirt, debris, or any other matter or material which may become a fire or health hazard.

ABATEMENT

Pursuant to Clovis Municipal Code section 5.28.102(b), you must commence and complete substantial repairs to the Property to bring it into compliance with all of the above identified violations within **thirty (30) days** of the date of this notice to abate property nuisance. If substantial repairs to the Property have not been completed within the required **thirty (30) day** time period, the City will issue you a citation for each day that the nuisances remain unabated. The following fines will be incurred for each citation of the above referenced Clovis Municipal Code violations:

1st citation \$100.00;

2nd citation \$500.00;

3rd citation \$1,000.00;

AND \$1,000.00 for each subsequent citation.

Also, the City or a contractor hired by the City may abate each of the above identified nuisance violations and you shall be billed for any and all costs incurred by the City for said abatement. In addition to the cost of abatement, you shall be billed for all of the City's administrative fees and enforcement costs as a result of your failure to maintain the Property in a manner that complies with the Clovis Municipal Code.

Mr. Mark Waters

APPEAL

If you wish to object to the finding that the Property constitutes a public nuisance requiring abatement, you may file an appeal in accordance with Section 5.28.104. The appeal must be in writing, filed with the City Clerk at 1033 Fifth Street, Clovis, California, and received within ten (10) days from the date of this Notice to Abate Property Nuisance. The appeal must state the basis for the appeal with sufficient specificity so that the hearing officer or Board of Appeals can understand the basis for the appeal and must include the name, address, and telephone number of the person filing the appeal. Failure to file a timely appeal will result in the City proceeding with the work required at your expense in a timely fashion without further notice or hearing.

Thank you for your prompt attention to completing substantial repairs of the above identified nuisances located upon your Property.

If you have any questions regarding this notice please contact John Holt, Assistant City Manager, at (559) 324-2101 or johnh@cityofclovis.com.

Sincerely,

LOZANO SMITH

Roy C. Santos
Deputy City Attorney

Recorded: April 3, 2006
Doc. No. 2006-0068693
Assigned: October 13, 2015
Doc. No. 2015-0132607

To the above referenced parties:

The City of Clovis issued multiple administrative citations for a total amount of \$69,700.00 for continuing violations of Clovis Municipal Code (CMC) sections 5.27.101, 5.27.102 and 5.27.103 (Unlawful Property Related Nuisances) on the subject property. No appeal of these citations was filed within the time provided in CMC section 5.28.104. Copies of the administrative citations

are in your possession, however, additional copies can be provided upon request. Attached as **Exhibit 1** is the Notice to Abate Property Nuisance mailed to the Property Owner on October 14, 2015, and the Continued Notice to Abate Property Nuisance mailed to the Property Owner on February 26, 2016.

The Property Owner is directed to pay this assessment immediately. Payment should be made as follows:

City of Clovis
1033 Fifth Street
Clovis, CA 93612
Attn. City Clerk

If those costs are not paid before 5:00 p.m. on April 4, 2016, on that date the City Council will review and consider approval of a Resolution confirming the amount of the assessment and authorizing the filing of a Notice of Lien on the Property in the Fresno County Recorder's Office which shall become a special assessment against the Property, and may be added to the next regular tax bills levied against the Property, and collected at the same time and in the same manner as the County collects property taxes.

You have a right to appear at the April 4, 2016 Council meeting and present objections to the assessment. The basis for the code enforcement action will not be the subject of the Council's consideration.

The filing of a Notice of Lien will not relieve the responsible party from paying the assessment and the assessment will remain a debt of the responsible party until paid.

If you plan to attend and present documentary evidence to the City Council, please present that evidence to the City Clerk before 12:00 p.m. on the Wednesday before the Council meeting (March 30, 2016) in order for that information to be timely considered by the City Council. A copy of the City Council Staff Report will be available on-line after close of business on March 30, 2016. A hard copy will be provided upon timely request.

Sincerely,

Roy C. Santos

Clovis, CA 93611

NOTICE TO ABATE PROPERTY NUISANCE

162 N. Peach Avenue
Clovis, CA 93611

To Mr. Waters:

NOTICE

NOTICE IS HEREBY GIVEN THAT, pursuant to Clovis Municipal Code section(s) 5.27.101, 5.27.102 and 5.27.103, the City of Clovis ("City") found that the property located at 162 Peach Avenue, Clovis, CA 93611 ("the Property") constitutes a public nuisance requiring immediate abatement.

The following conditions are considered nuisances, subject to abatement and cost recovery pursuant to Chapters 28 and 29 of Title 5 of the Clovis Municipal Code, and are found to exist on the Property:

- (1) **Building Materials, Household Fixtures and Equipment:** used or damaged lumber, junk, trash, debris, concrete, scrap metal, salvage materials and abandoned, broken, discarded or unused furniture, appliances, sinks, toilets, cabinets, or other household fixtures or equipment (i) stored so as to be visible at ground level from a public street, alley or from adjoining property, or (ii) stored in a manner out of view but in an unsecured area accessible to minors, or (iii) stored in a manner as to harbor rodents, insects, or other vermin;
- (2) **Deteriorated Buildings:** buildings which have become so deteriorated as to permit decay, excessive checking, cracking, peeling, chalking, dry rot, warping, or termite infestation;

Limited Liability Partnership

7404 N. Spalding Avenue Fresno, California 93720-3370 Tel 559-431-5600 Fax 559-261-9366

Page 2

- (3) Deteriorated Improvements: walls, fences, hedges, driveways, sidewalks, walkways, and similar improvements which have become deteriorated, hazardous, defective, or unsightly;
- (4) Landscaping: front and visible side yards without acceptable landscaping, except for improved surfaces such as walks and driveways;
- (5) Safety Hazard: the maintenance of property in a manner that presents an imminent safety hazard and/or creates a present and immediate danger to life, property, health or public safety;
- (6) Garbage: no person in control of any lot or parcel of land within the City, whether such person is the owner, agent, or tenant, shall maintain, permit, or allow any refuse matter, garbage, or filth which is hazardous to public health or safety to exist on such premises;
- (8) Refuge for vermin: dead, decayed, diseased or hazardous trees, weeds, grass, rubbish, refuse, dirt, debris, or any other matter or material which may provide a breeding place or refuge for rodents, insects, or other vermin;
- (9) Fire hazard: weeds, rubbish, refuse, dirt, debris, or any other matter or material which may become a fire or health hazard.

ABATEMENT

Pursuant to Clovis Municipal Code section 5.28.102(b), you must commence and complete substantial repairs to the Property to bring it into compliance with all of the above identified violations within **thirty (30) days** of the date of this notice to abate property nuisance. If substantial repairs to the Property have not been completed within the required **thirty (30) day** time period, the City will issue you a citation for each day that the nuisances remain unabated. The following fines will be incurred for each citation of the above referenced Clovis Municipal Code violations:

1st citation \$100.00;

2nd citation \$500.00;

3rd citation \$1,000.00;

AND \$1,000.00 for each subsequent citation.

Also, the City or a contractor hired by the City may abate each of the above identified nuisance violations and you shall be billed for any and all costs incurred by the City for said abatement. In addition to the cost of abatement, you shall be billed for all of the City's administrative fees and enforcement costs as a result of your failure to maintain the Property in a manner that complies with the Clovis Municipal Code.

APPEAL

If you wish to object to the finding that the Property constitutes a public nuisance requiring abatement, you may file an appeal in accordance with Section 5.28.104. The appeal must be in writing, filed with the City Clerk at 1033 Fifth Street, Clovis, California, and received within ten (10) days from the date of this Notice to Abate Property Nuisance. The appeal must state the basis for the appeal with sufficient specificity so that the hearing officer or Board of Appeals can understand the basis for the appeal and must include the name, address, and telephone number of the person filing the appeal. Failure to file a timely appeal will result in the City proceeding with the work required at your expense in a timely fashion without further notice or hearing.

Thank you for your prompt attention to completing substantial repairs of the above identified nuisances located upon your Property.

If you have any questions regarding this notice please contact John Holt, Assistant City Manager, at (559) 324-2101 or johnh@cityofclovis.com.

CONTINUED NOTICE TO ABATE PROPERTY NUISANCE

162 N. Peach Avenue
Clovis, CA 93611

To Mr. Waters:

You were previously provided multiple notices that, pursuant to Clovis Municipal Code section(s) 5.27.101, 5.27.102 and 5.27.103, the City of Clovis ("City") found that the property located at 162 Peach Avenue, Clovis, CA 93611 ("the Property") constitutes a public nuisance requiring immediate abatement. To date, you have made no effort to bring the Property into compliance. Based upon your failure to commence and/or complete substantial repairs to the Property to bring it into compliance with the requirements of the Clovis Municipal Code, you have incurred approximately \$58,000.00 in fines. You shall continue to be subject to citation for each day the nuisances remain unabated.

If you have any questions or concerns please feel free to contact John Holt or I.

Sincerely,

LOZANO SMITH

FROM: Community & Economic Development

DATE: April 4, 2016

SUBJECT: Approval - Waive the City's Standard Bid Procedure for Contract with Civitas to Design and Manage a Property Based Improvement District (PBID) Implementation Process for Shaw Avenue and Central Clovis.

CONFLICT OF INTEREST

RECOMMENDATION

Waive the City's Standard Bid Procedure for Contract with Civitas to Design and Manage a Property Based Improvement District (PBID) Implementation Process for Shaw Avenue and Central Clovis.

BACKGROUND

Since 2012, staff has explored the development of forming a PBID for Shaw Avenue. In doing so, a few meetings with property owners, business owners and other stakeholders have been held. Initially, staff consulted with Denver, Colorado – based Progressive Urban Management Associates (PUMA) for a feasibility assessment.

Staff has also explored the formation of a PBID for the Old Town area. Since the current Parking and Business Improvement Area (PBID) cannot be altered in any way, a PBID is a logical step for the property owners to generate funding for improvements, maintenance and other desired services.

Staff is prepared to move forward with the development of a PBID for Shaw Avenue between Sunnyside Avenue and State Route 168 as well as a PBID for Central Clovis between Minnewawa Avenue, Veterans Parkway, Sierra Avenue, and Barstow Avenue.

In 2010, staff worked with Sacramento-based Civitas, on the formation of the Tourism Based Improvement District as well as the 2016 renewal of that same assessment district.

FISCAL IMPACT

Included in the FY2015/2016 Community & Economic Development Budget are funds allocated for PBID formation.

REASON FOR RECOMMENDATION

There are very few consulting firms which specialize in California's PBID law. The City of Clovis has worked with the two biggest and most successful firms, PUMA and Civitas. Both are well equipped and fully capable of performing the duties needed to form both PBIDs in Clovis. However, due to significantly lower costs, as well as a plan for an innovative approach to stakeholder relations from Civitas, and general unresponsiveness from PUMA, staff feels that Civitas would serve as a better vendor for these projects.

ACTIONS FOLLOWING APPROVAL

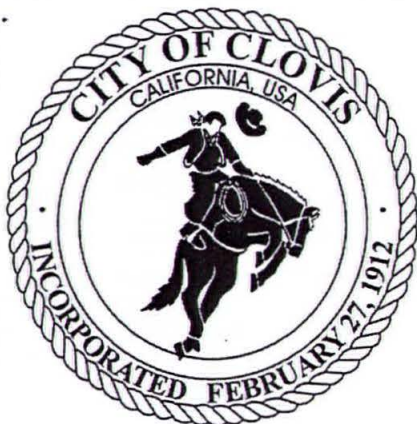

Staff will draft a purchase order for the City's Manager's approval to initiate the contract between Civitas and the City of Clovis.

RECOMMENDATION

For the City Council to reject all bids on the subject project in the best interest of the City.

EXECUTIVE SUMMARY

Per California Public Contract Code Section 20166, staff is recommending that the City Council reject all bids for the Sunnyside Avenue and Third Street Entry Feature project. The project is fully supported by a grant through the Housing-Related Parks Program (HRPP). The Engineer's Estimate for this project was \$75,326. Six bids were received for this project ranging from \$115,228 to \$402,135. All bids received were considerably higher than the engineer's estimate and the budgeted amount from the HRPP grant.

The proposed improvements for CIP 15-11 consist of the constructing a decorative concrete masonry unit seat wall, City standard block wall, concrete pedestal, City

standard sidewalk, landscaping and irrigation, and installing granite boulders, electrical conduit, and pull boxes.

The following is a summary of the bid results:

BIDDERS	BASE BID
1. American Construction Engineers, Inc.	\$115,228.00
2. Bush Engineering, Inc.	\$118,081.00
3. JT2 Inc., DBA Todd Companies	\$118,790.00
4. Steve Dovali Construction, Inc.	\$132,807.70
5. Serna Construction, Inc.	\$138,210.60
6. Stockbridge General Construction, Inc.	\$402,134.70
 ENGINEER'S ESTIMATE	 \$75,326.05

FISCAL IMPACT

The project is fully supported by a grant through the Housing-Related Parks Program (HRPP) and budgeted in the 2015/2016 Capital Improvement Program.

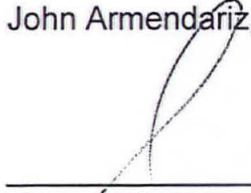

REASON FOR RECOMMENDATION

All bids received were considerably higher than the engineer's estimate and the budgeted amount from the HRPP grant. Therefore, staff is recommending the rejection of all bids.

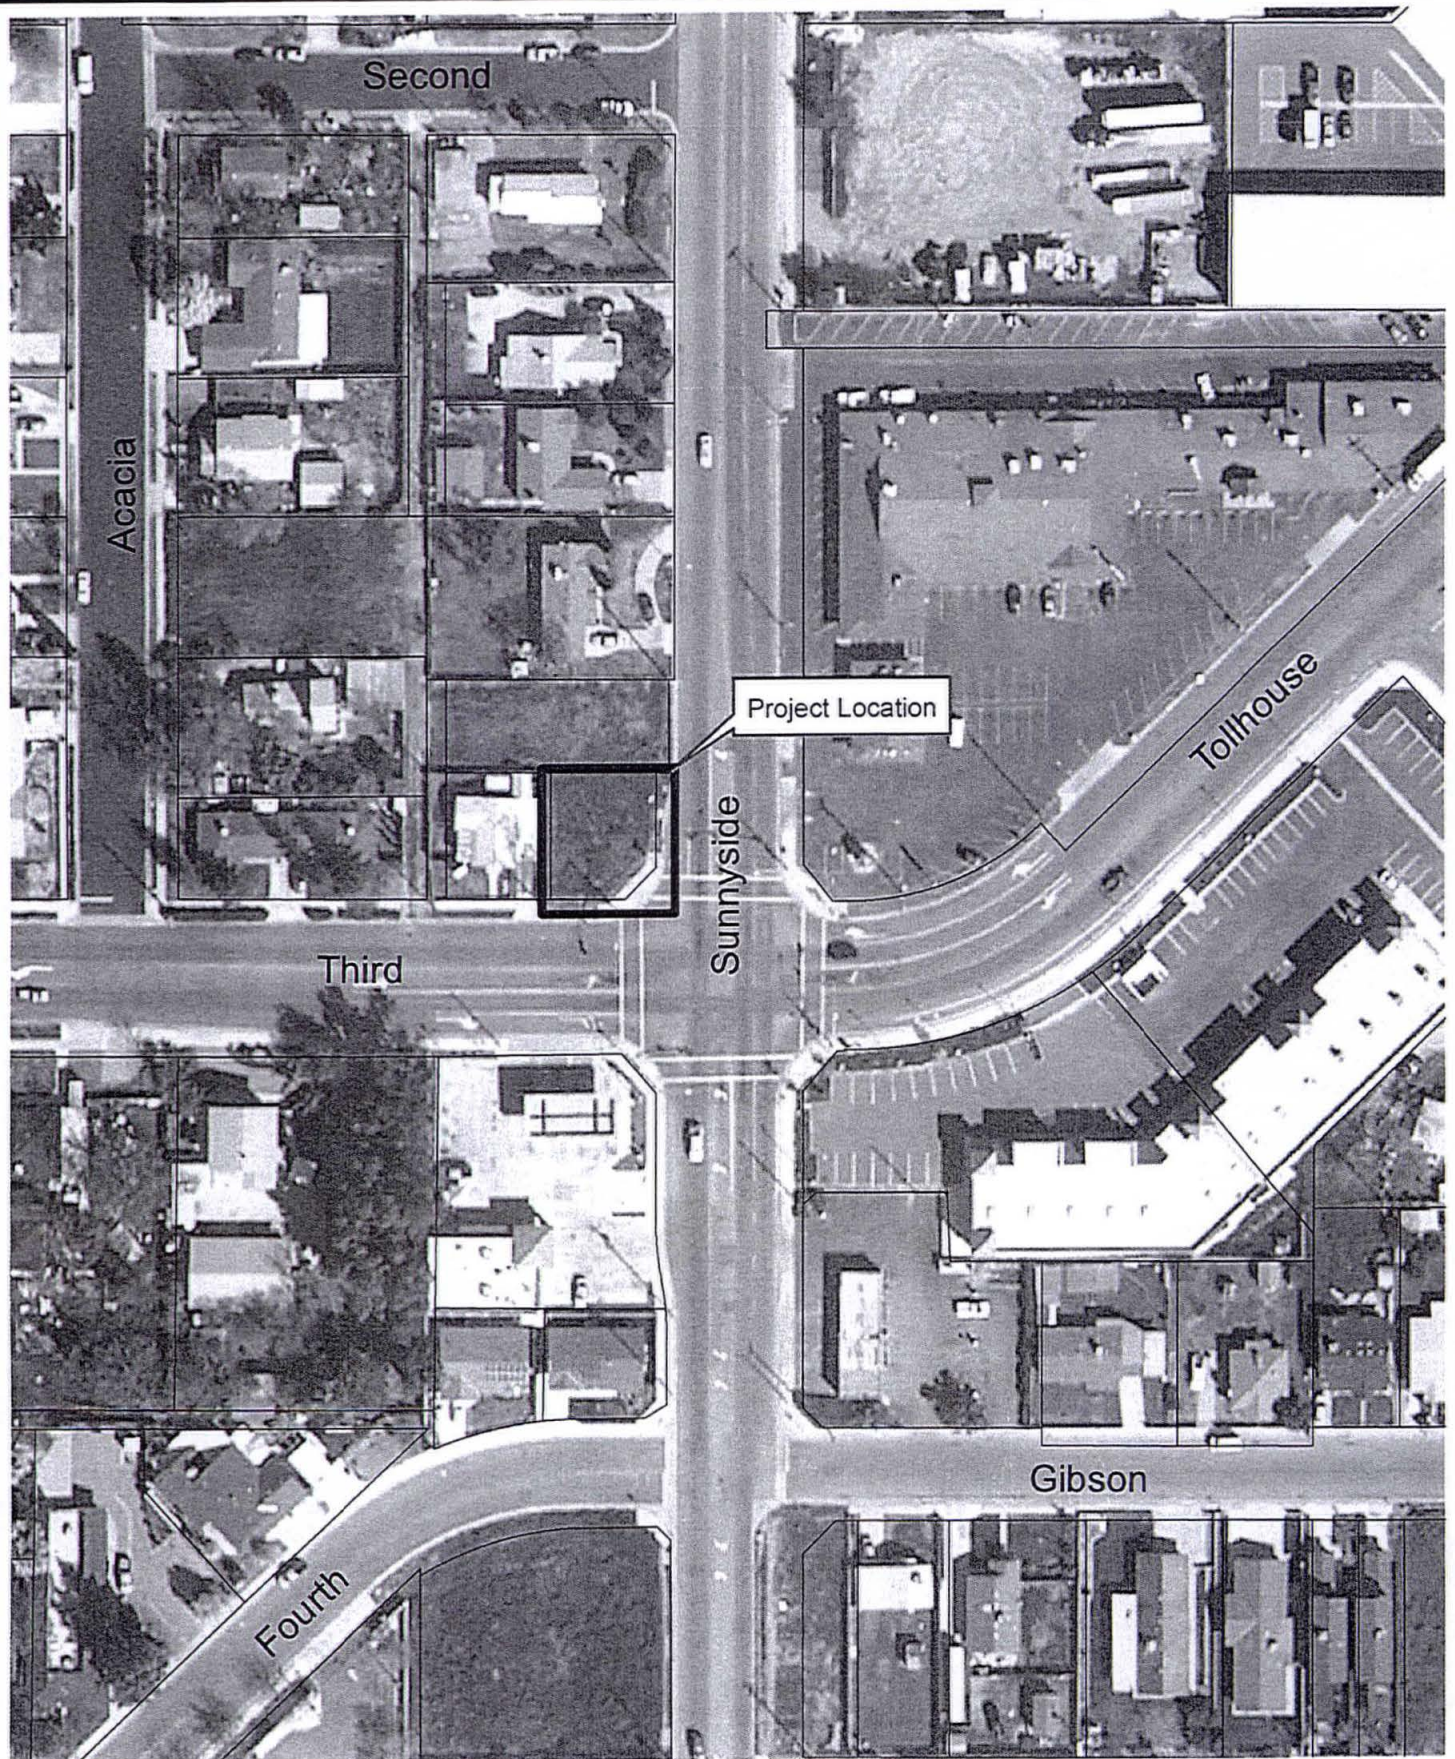

ACTIONS FOLLOWING APPROVAL

1. All bids will be rejected.
2. Staff will re-scope the project to meet the available funding as appropriate and re-bid the project

RECOMMENDATION

That the City Council approve the request from City of Clovis Planning and Development Services Department for Temporary Street Closure of Portions of Pollasky and Bullard Avenues to Hold an Urban Design Event on May 14 and 15, 2016.

EXECUTIVE SUMMARY

Staff is requesting temporary street closure of portions of Pollasky and Bullard Avenues to hold an urban design event on May 14 and 15, 2016. There are no concerns from adjacent businesses or residents.

BACKGROUND

Since July 1, 2014, the City of Clovis has been working with community members to update the Central Clovis Specific Plan. The City of Clovis has also been working with private developers and the sale and development of two commercial pads located immediately adjacent to Centennial Plaza. To celebrate the finalization of the Central Clovis Specific Plan as well as the official groundbreaking of the two commercial pads, the City of Clovis is planning a design festival. To help demonstrate new ideas for permanent and temporary

outdoor dining and entertainment spaces, the Planning and Development Services Department has invited a number of interior designers, architects, engineers, community organizations, students and other groups to design small urban parks to be placed in various locations throughout Old Town. Centennial Plaza and the area immediately adjacent area will serve as a festival venue and feature live music, food, and other related activities. The event, *Taking it to the Streets*, is experiencing tremendous support from the design community as well as Old Town stakeholders.

Staff met internally as well as with Old Town business and property owners. To date there have been no issues or concerns.

FISCAL IMPACT

As with virtually all events, there are a number of ways the City of Clovis is positively impacted. The local businesses benefit from large numbers of people visiting the area and the City of Clovis benefits from the increased tax revenue.

Some events require additional City services. Funds are available through the Central Clovis Specific Plan program to pay for trash removal and other services associated with this event.

REASON FOR RECOMMENDATION

In previous years, approximately 300,000 people have attended the various events held in Old Town on an annual basis, many of whom have returned to Old Town to patronize the shops.

ACTIONS FOLLOWING APPROVAL

Staff will continue working with residents, businesses, and property owners to help eliminate possible problems that may arise due to the closure of streets for this event.

- The Fresno and Madera County DUI Task Force and thousands of law enforcement agencies around the country teamed up with NHTSA on a high-visibility winter enforcement campaign. The annual effort aims to reduce drunk driving year-round, not just on a few days during winter. The campaign is over, but the warning remains: *"Drive Sober or Get Pulled Over."*
- The Clovis Police Department honored its 24-member Police Explorer Post in January at a banquet at the Clovis Rodeo Hall. During 2015, these young men and women donated more than 3,100 total hours of community service, in addition to training more than 2,000 hours (an average of more than 83 hours per Explorer). The post offered its support for almost 50 events and special details this past year. The Explorers' motto is "Lead The Way."
- Clovis Police advised people who have community mailboxes to keep an eye out for thieves and to pick-up their mail on a daily basis. In January, we experienced a spike in community mailbox breaches. Officers believe the breaches are taking place in the morning between 4:00 a.m. and 10:00 a.m. If you have any information regarding the possible identity of the person or people responsible for these crimes, please call Clovis Police Dispatch at 324-2800. If you see someone breaking in to a community mailbox, call 9-1-1 immediately. The Post Office is aware of the situation and is taking steps to repair damage to the community mailboxes.
- The Clovis Police Department was proud to host the Reverend Dr. Martin Luther King, Jr. Community Breakfast on January 16th in the Clovis Veterans Memorial Building. This was the 29th annual breakfast honoring Dr. King in Fresno County and marked the 11th year Clovis PD presented it. "Live with Passion; Love with Compassion" was the theme of this year's breakfast. Among the dignitaries were: Clovis Mayor Nathan Magsig, Councilmember Lynne Ashbeck, Clovis City Manager Rob Woolley, Clovis Assistant City Manager John Holt, Clovis Police Chief Matt Basgall, Fresno County Sheriff Margaret Mims, Retired U.S. Ambassador Philip Sanchez, members of the Fresno City Council, members of area law enforcement agencies, Clovis Unified School District Superintendent Dr. Janet Young, Clovis Unified Board Member Betsy Sandoval, Dr. Sudarshan Kapoor and members of the Fresno Rev. FROM: Public Utilities Department

DATE: April 4, 2016

SUBJECT: Approval - Waive Formal Purchasing Procedures and Authorize a Contract with TESCO Controls Inc. to Provide Professional Services and Software for Upgrading the SWTP SCADA System.

CONFLICT OF INTEREST

None.

RECOMMENDATION

Authorize a Contract with TESCO Controls Inc. to provide professional services and software for upgrading the Surface Water Treatment Plant SCADA System in the amount of \$87,525 including sales tax.

EXECUTIVE SUMMARY

The City's Surface Water Treatment Plant supervisory control and data acquisition (SCADA) system is scheduled for an upgrade. TESCO Controls is the company that has supplied the City's well telemetry system since its beginning in 1982. The proposed SCADA upgrade consists of replacing the existing Wonderware software with the latest software from Wonderware. The City will provide the hardware with TESCO providing the software and all of the programming, installation and testing of the system.

BACKGROUND

The City utilizes a supervisory control and data acquisition system to remotely control, monitor and collect data at the Surface Water Treatment Plant. Since 1982 the City has used SCADA systems provided by TESCO Controls, Inc. for the well system. The current system at the Plant was provided by another vendor as part of the construction

in 2004. TESCO provided the alarm software upgrade a few years ago and is currently used to troubleshoot issues. The servers the system is installed on are old and need to be replaced as they are prone to stopping. The current software version is not compatible with newer servers and must be upgraded. As part of the upgrade TESCO will integrate the membrane system application into the new SCADA system.

The components and services that will be provided are listed below:

Wonderware License Upgrade to the Following:

- Upgrade – Qty. (1) Historian 2014R2 Standard 5,000 Tag
- Upgrade – Qty. (1) Development Studio 2014R2 Unlimited, Unlim/60K/500 RDS
- Upgrade – Qty. (3) InTouch 2014R2 Runtime 60K Tag with I/O RDS
- Upgrade – Qty. (3) WW CAL with MS CAL runtime, Single, SQL 2012 Std
- Upgrade - Qty. (3) WW Historian Client 2014R2 Per Named Device

Professional Services to include:

- Project Management
- Engineering
- SCADA Programming
- Networking/Communications/Telemetry
- Onsite Training
- O & M Manuals

FISCAL IMPACT

This upgrade was included in the Water Operations budget and adequate funds are available. Included with the programming and installation is one year of Wonderware comprehensive support.

REASON FOR RECOMMENDATION

The SWTP SCADA system and associated hardware needs to be updated. Wonderware is the preferred software as it is a standard in the industry, the City has familiarity with its use and the existing screens and reports can be reused. TESCO Controls is the preferred company to provide the integration services due to their familiarity with the City's system. They have been a very reliable company for over thirty years maintaining and troubleshooting issues with the existing system. Their proposal is competitive in the marketplace and staff has confidence in their ability to provide the support service and programming needed for this project.

ACTIONS FOLLOWING APPROVAL

Staff will prepare a purchase order for the City Manager's approval.

DATE: April 4, 2016

SUBJECT: Approval - Waive the City's Formal Bidding Requirements and Authorize a Service Agreement with Golden Bell Products, Inc. for Manhole Insect Control.

CONFLICT OF INTEREST

None.

RECOMMENDATION

Authorize a service agreement with Golden Bell Products, Inc. to provide manhole treatment services for insect control at a cost of approximately \$150,000.

EXECUTIVE SUMMARY

Golden Bell Products is the sole source for the application and distribution of Insecta, a product applied to manholes to control cockroaches. The product is the only registered product of its type and active ingredient labeled for use in sewer manholes. A service agreement will be entered into with Golden Bell Products to treat all of the City's manholes at a cost of \$21.50 each.

BACKGROUND

Over the past several years there has been an increase in cockroach population in the City's sanitary sewer system. Previously, cockroaches were present in limited areas of the City. More recently the affected area has grown and the insect population has increased. Insect activity is detected during routine sewer line cleaning and in response to customer complaints. Wastewater staff has been actively treating infested areas for several years but due to limited staff has not been able to comprehensively treat

enough of the system to prevent the spread from one area to another. Golden Bell Products treated designated problem areas in 2008 and 2010. The results were longer lasting than products used by City staff.

FISCAL IMPACT

The cost to provide this treatment was included in the 2015/16 Wastewater Operations budget.

REASON FOR RECOMMENDATION

Golden Bell Products has provided this service to the City in the past on a smaller scale with good results. Providing the treatment throughout the entire wastewater collection system will increase the odds that the problem will not just move to other areas and should provide longer control.

ACTIONS FOLLOWING APPROVAL

Staff will prepare a purchase order for the City Manager's approval.

RECOMMENDATION

Approval – Res. 16-___; Amending the City's Master Administrative Fee Schedule for Fire Department Operations, Enforcement and Inspection Activities.

EXECUTIVE SUMMARY

The current administrative fee schedule for various operational, enforcement and inspection activities was last updated in 2010. Since that time, changes to the California Fire Code and in local enforcement have occurred. The current schedule no longer accurately reflects the level of actual costs of performing these duties and makes no differentiation between occupancies that achieve compliance versus those that continually draw resources away due to negligence. Using the services of a third party consultant, staff has performed an analysis, developed a fee structure that recovers costs and achieves compliance.

BACKGROUND

The Fire Department fees within the City's Master Administrative Fee Schedule were last amended in 2010. Over the past six (6) years, changes in the California Fire Code, local enforcement efforts and associated personnel costs have occurred. With these changes, the Fire Department prepared a Request for Proposals from third party

vendors to conduct an analysis focused on services related to fire prevention and emergency response operations, including, but not limited to, inspection and code compliance, fire prevention services and inspection, and emergency response operations where it has been adjudicated to prove that the primary cause was due to individual negligence or violation of federal, state and local law. The goal was to examine the Division's fee structure to ensure full cost recovery. The attached fee schedule represents a comprehensive fee structure that incorporates new definitions, restructuring and elimination of some fees. The overarching objective was to ensure the proposed fees have a well-documented and defensible structure that equitably supports the overall costs from the impact beyond normal use, reduced service delivery to other customers or are in response to violations of applicable federal, state and local law. Four proposals were submitted with NBS ultimately receiving the award based on established scoring criteria.

Fire Department Fees fall into basic categories. The following is a brief overview and summation of the proposed fees. The cost to provide the services is based on the time necessary to provide the service and includes both direct and indirect costs associated with providing each service. It should be noted that in cases where cost recovery represented a significant impact beyond our current rate, the Fire Department is recommending a stair-step process where a 30% baseline of recovery would be applied initially (July 1, 2016) with a 10% increase annually, starting July 1, 2017, until the target amount is achieved.

Front Counter: Fees in this group represent costs associated with providing legal copies of documents for insurance companies or outside companies dealing with property losses from fire.

Annual Occupancy Fire and Life Safety Inspections (Routine and State Mandated): These fees are categorized by the type of occupancy (education, business, assembly, etc.) and then by square footage. It should be noted that the inspection process begins with a single inspection. If the business is compliant, no return visit is necessary for that year and the occupancy will receive no charge for service. In the event that violations are noted, a second visit is established within a prescribed timeframe that allows the business owner sufficient opportunity to make the necessary corrections. If all violations are clear on the second visit, no additional inspections are scheduled for that year and the occupancy will receive no charge for service. Recognizing that we want to retain and grow our local businesses (retail and commercial users), the proposed fees would only be levied when a business owner fails to make noted corrections at the second visit. Continued re-inspections take a disproportional amount of time away from compliant businesses, sustain an unsafe environment that has the potential to harm surrounding businesses, endangers first responders and negatively impacts the local economy due to increased property loss.

Exceptions to the above noted "3rd violation" philosophy would be facilities requiring fire clearance by a third-party agency or occupancies required by the California State Fire

Marshal's Office (CSFM). This occupancy group includes schools, hospitals and for-profit institutional facilities. As these facilities require extensive time, paperwork and normally budget for their inspections, the proposed fees would be applied at the first visit. Note: the State requires the fire department to provide service to these facilities with little or no financial reimbursement to the local jurisdiction.

Construction Permits: Permits issued by the Fire Department are for fire protection systems. Permits issued cover the time to plan check and inspect the various components required.

Operational Permits: These permits are typically for special events such as parades and festivals where outside vendors utilize mobile kitchens or tents. Issued permits ensure cooking and equipment used in the public right-of-way or on-site is inspected by fire department personnel and complies with the fire code.

False Alarm Response: Each year, the Fire Department responds to approximately 500 false alarms. Like businesses who fail to comply with inspections, false alarms represent a disproportional use of resources that could be utilized for true emergencies. Recommended fees in this category reflect the fully-burdened cost for either a Prevention or Suppression response. Since false alarms are typically the result of human error in servicing and maintaining a fire protection system, charges would be levied at the third false alarm received in any one fiscal year. Note: In some cases, the occupancy can seek cost recovery from the alarm provider when the system failure is due to negligence of the alarm vendor or technician.

Fireworks: Events where fireworks are incorporated require personnel to ensure the location is safe, clear and conditions are met per the permit and monitoring of fireworks fallout during the shoot for public safety.

Weed and Rubbish Abatement: In accordance with the Clovis Municipal Code, properties are required to be maintained free of overgrown and/or dead vegetation that may pose a fire hazard. This fee accounts for administrative time spent checking properties and contract administration for the weed abatement contract.

Miscellaneous Fees have no changes. In addition, the Fire Department collects a portion of fees associated with planning, building and engineering activities. The allocation Fire receives recognizes our responsibilities for ensuring access, appropriate occupancy designation and applicable fire protection systems are incorporated. As part of the fee analysis, NBS did recommend increases to our allocation. Since the Fire Department allocation is a percentage of the total fee collected by Planning and Development Services, we are recommending that changes in these categories be deferred until analysis of the respective allocations from other departments is conducted.

Two new fees are also recommended for adoption.

Electronic Gate Fee: This fee is recommended due to the time and maintenance required by staff to ensure Private Residential Development's within the community have ingress/egress features that allow first responders rapid access to ensure response time performance is not hindered.

First Responder Fee: This fee is recommended as a way for the Fire Department to offset costs associated with providing emergency medical services. The First Responder fee will be initially a tool to deal with "for-profit" businesses that subsidize their business model by using the current EMS system. Sufficient opportunities will be provided to allow the business to work with Fresno County EMS and develop alternative methods of providing EMS to their customers/patients so the fee will only be necessary in limited cases based on the business owner's choice. In the future, there will also be possible opportunities to recoup EMS-related costs due to changes in the Affordable Care Act and agreements with the local ambulance provider. This fee will not necessarily be implemented for our routine residential customers but should be established now so that precedence for the fee can be established in case creation of new fees are ever limited by the State or Federal Government.

The table below shows, in aggregate, the cost vs. revenue comparison by fee type. Refer to Exhibit 'A' for the complete list of fee services that fall under each fee category type.

FISCAL IMPACT

Increasing the fees charged for these services will help to recover costs associated with processing the permits, applications and providing services to the public. While the increase of these fees will not recoup all the expenditures that occur with providing the services to the public, it will provide monetary resources to offset the need for general fund money in the future.

REASON FOR RECOMMENDATION

To adopt the master fee schedule to reflect a more accurate cost recovery based on current services provided.

ACTIONS FOLLOWING APPROVAL

If approved, staff will revise the Master Administrative Fee Schedule and advise customers of the adopted changes with implementation in FY 2016/2017.

RESOLUTION 16-

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CLOVIS APPROVING AMENDMENTS TO THE MASTER ADMINISTRATIVE FEE SCHEDULE

The City Council of the City of Clovis hereby resolves as follows:

WHEREAS, on April 4, 2016, the City Council held a public hearing to consider amendments to the City's Master Fee Schedule; and,

WHEREAS, the Council has determined that:

1. Clovis Fire Department has conducted a fee analysis to evaluate the administrative costs for Code Enforcement and Inspection activities ; and,
2. the resultant fee schedule would recoup the costs associated with those activities.

NOW, THEREFORE, BE IT RESOLVED that the City of Clovis adopts the Fire Department's Administrative Fee Schedule as specified in Attachment "A". The Fee Schedule shall become effective on July 1, 2016 and reflected in the Master Administrative Fee Schedule.

- CITY OF CLOVIS - REPORT TO THE CITY COUNCIL

TO: Mayor and City Council
FROM: Public Utilities Department
DATE: April 4, 2016
SUBJECT: Consider Approval – Authorize the use of Recycling Lid Hot Stamps on newly produced Residential Disposal Carts

CONFLICT OF INTEREST

None

RECOMMENDATION

For the City Council to authorize City the use of recycling hot stamps to be used on newly produced residential disposal carts.

EXECUTIVE SUMMARY

On January 11, 2015 the Garfield Elementary School Robotics Bionic Brains team presented their project on how to improve recycling. City Council provided direction to have the team work with staff and bring this item back to City Council in the near future.

Staff has met with the Team and researched the Team's proposed project and has come up with some cost effective changes to the Team's original recommendation and is now recommending that the City pursue white hot stamps to be placed on all future disposal cart orders made by the City.

BACKGROUND

The City of Clovis provides refuse and recycling containers to Clovis residents when the resident signs up for refuse service with the City. The basic service provided to Clovis residents includes three carts for refuse and recycling: one 96 gallon blue cart for

recycling materials, one 96 gallon green cart for green waste debris, and one 96 gallon or 48 gallon grey cart for trash. Toter Inc. (Toter) is the provider of the City's disposal carts.

In accordance with the mandates of the Integrated Waste Management Act of 1989 (AB 939), the City must divert at least 50% of the waste generated in the City from landfill disposal. Historically the City's diversion rate has exceeded the 50% goal through public recycling education programs and program enhancements.

In order to meet the mandates of AB 939, the City is required to divert 50% of the waste generated in the City from landfill disposal. The method of measuring this diversion is indirect; it compares measured disposal to a calculated estimate of the amount of waste generated in the City. The calculation is based on information from 1990, adjusted for the effects on population and economic growth in the City as indicated by taxable sales, employment, etc.

The City achieved this diversion goal through a City staff prepared Source Reduction and Recycling Plan, that was approved by City Council and the State Integrated Waste Management Board. This plan included both residential recyclable material and green waste collection programs. These programs have contributed to the City's achievement of the State mandated diversion goal.

The City historically has high participation rates for recycle material and greenwaste material disposal carts. For example in February 2016 the residential recycle participation rate for the recycle disposal carts being placed at curb for collection was 79% and the participation rate for greenwaste disposal carts was 66%. Annually from July 2014 through June 2015, the participation rate was 76% for recycle disposal carts collected and 70% for greenwaste disposal carts collected. In this same time period the City collected 29,199 tons of residential trash while Republic collected 24,393 tons of recycle and greenwaste materials, equating to an 84% residential recycle diversion percentage.

On January 11, 2015 the Garfield Elementary School Robotics Bionic Brains team presented their project on how to improve recycling before the Clovis City Council with the use of stickers on the City's disposal carts. At that time City Council provided direction to have the team work with staff and bring this item back to City Council in the near future.

Staff met with the Garfield Elementary School Robotics Bionic Brains team and fielded their recommendations. The team wanted to encourage further recycling by using stickers on the City's disposal carts that had instructions on what could be thrown away in each disposal cart. The team identified several municipalities in California where recycling stickers were being placed on disposal carts. Staff reached out to these agencies to gather information on the recycling stickers use, their longevity and whether or not the sticker contributed to increased recyclable material diversion. Of the California municipalities contacted, the City of Visalia and the County of Los Angeles

provided responses to staff's inquiries. The City of Visalia stated they did not know when they first began using the recycle stickers nor did they have data to support that the stickers increased their diversion of recycle material away from landfills. Similarly the County of Los Angeles stated that they use recycle stickers to better inform their customers on what can and cannot be thrown away in their recycle containers in an effort to increase recycled material diversion. However they did not have data to support an increase in recycling diversion from the use of the stickers.

Staff met with Toter, Inc. the company that supplies the City of Clovis with residential disposal carts and asked how feasible it would be to have recycling stickers placed on newly ordered disposal carts. Toter, Inc. discouraged the use of stickers on their products as the stickers could become less adhesive due to the warm temperatures in the valley and the automated grabber arms of the equipment that might rub off the stickers when grabbing the Toter, if they were affixed to the body.

Toter, Inc. suggested using either a lid hot-stamp or lid in-mold label instead of recycling stickers on disposal carts. The lid is the least expensive part of the disposal cart and is least expensive to replace. The cost to replace a Toter lid is \$19.50 while the cost to replace an entire Toter (body + lid) is \$65.00. The Toter lid has a space on the top of the lid that is flat and designed to be used for labeling. The City has never put labeling on this top part of the lid and it is now blank with no labeling.

The lid hot stamp proposed by Toter, Inc. would look similar to one shown below:

The estimated costs for hot-stamp and in-mold labels are as follows:

Description:	Template Cost:	Stamp/Mold Cost:
Hot-Stamp Label	\$300.00	\$0.25 per stamp
In-Mold Label	\$500.00	\$2.04 - \$5.34 per stamp*
* Cost varies depending upon template size and quantity ordered		

Staff recommends the hot-stamp over the in-mold label due to cost.

Benefits to the use of recycle labels is that it will add to the City's recycling programs reported to the state as ways to encourage recycling and discourage contamination of recycling materials. Recycling contamination occurs when fluids and non-recyclable material is placed together with recyclable material, thus ruining the product recyclable reuse and value. An example of this is having milk poured over cardboard. Once the cardboard is saturated with fluids it is no longer reusable as a recyclable material, and ultimately must be landfilled. Recycling labels would better inform the public of what can be recycled.

Staff recommends the City pursue hot-stamp labels on future orders of new Toter lids.

FISCAL IMPACT

The Department replaced 428 Toter lids (96-trash, 248-greenwaste and 84-recycle) with new lids in 2015. The cost to hot-stamp this same amount of Toter lids would be \$407 (\$300 template plus \$107 hot stamp cost per 428 Toter lids). Therefore staff believes the proposal to cost less than \$500 to pursue. Funds for the Toter lid purchases were included in the 2016-2017 fiscal year budget.

REASON FOR RECOMMENDATION

Lid hot stamp recycling labels will encourage material recycling at a marginal cost while better informing the public on what can be recycled.

ACTIONS FOLLOWING APPROVAL

City staff will direct Toter, Inc. to begin lid hot stamp on future Toter lid orders made by the City.

RECOMMENDATION

It is recommended that the Mayor, subject to approval by the City Council, consider the reappointments of Diane Staebler and Jose "JoJo" Reyes to the Personnel Commission. The two reappointments are for a four-year term of office which would expire in May of 2020.

It is also recommended that the Mayor, subject to approval by the City Council, consider the reappointment of Paul Hinkle to the Planning Commission. The reappointment is for a four-year term of office which would expire in May of 2020.

EXECUTIVE SUMMARY

Personnel Commissioners Diane Staebler and Jose "JoJo" Reyes, whose terms of office expire in May 2016, have requested to be reappointed. Mayor Magsig is recommending that the two Personnel Commissioners be reappointed.

Planning Commissioner Paul Hinkle, whose term of office expires in May 2016, has requested to be reappointed. Mayor Magsig is recommending that the Planning Commissioner be reappointed.

BACKGROUND

Personnel Commissioners Diane Staebler and Jose "JoJo" Reyes have requested to be reappointed. Upon review and recommendation from staff, Mayor is recommending that they be reappointed to another four-year term.

Planning Commissioner Paul Hinkle has requested to be reappointed. Upon review and recommendation from staff, Mayor is recommending that he be reappointed to another four-year term.

FROM: Administration
DATE: April 4, 2016
SUBJECT: Consider Approval – Change of Council Meeting Schedule

CONFLICT OF INTEREST

None

RECOMMENDATION

For the City Council to approve the cancellation of the regular Council meeting scheduled for Monday, April 18 at the Council Chamber at 6:00 p.m.

EXECUTIVE SUMMARY

There is a need to change the schedule of meetings for the City Council in April. Staff is recommending that City Council cancel the meeting of April 18, 2016.

BACKGROUND

Mayor Magsig and Councilmember Ashbeck will not be able to attend the Council meeting scheduled for April 18 because they will be in Washington DC attending the One Voice meetings. Councilmember Armstrong will not be able to attend the Council meeting due to medical reasons. Therefore, since there will not be a quorum, the meeting will need to be canceled.

Staff is able to consolidate the agenda items to the first and second meetings in April. Staff is recommending City Council consider canceling the meeting of April 18, 2016. Given adequate notice, staff will be able to amend the timing of actions coming forward so that operations will not be affected by the cancellation.

FISCAL IMPACT

None.

REASON FOR RECOMMENDATION

Pursuant to the Clovis Municipal Code, the City Council meets in regular session on the first, second, and third Monday of each month, except when those Mondays occur on a recognized City holiday. The City Council needs to confirm any change to the schedule of meetings in order to properly notice the public of the City Council's schedule of meetings.

ACTIONS FOLLOWING APPROVAL

A revised schedule of meetings will be published in conformance with law.

SUBJECT: Re-convening the Fresno-Clovis Metropolitan Solid Waste Commission

Dear Mayor Magsig,

County staff has begun efforts to reconvene a number of previously created commissions and committees, including the Fresno-Clovis Metropolitan Solid Waste Commission (FCMSWC). On or about November 17, 2014, yourself, and council Member Bob Whalen were nominated to serve on the FCMSWC.

Through communication with Council Member Bob Whalen, he has conveyed that his appointment to this commission may not have been ideally assigned, and at this time he indicates that his schedule does not allow him to serve.

We request that the Clovis City Council appoint a new, secondary member to serve on the FCMSWC, allowing for the City's full representation, and for the determination of the FCMSWC's future role and activities.

Please submit, via letter, the nominees you would wish to serve on the commission. Should you have any questions, please contact bremming@fresno.co.ca.us or (559) 600-4259.
