Note: Projects listed above have been submitted for review and approval to the City of Clovis Engineering Division, Development Review Unit (DRU). The submittal number is listed under "Plan Sub" or "Map Sub", whichever is appropriate for the associated project. The submittal has been reviewed by DRU staff for completeness and logged in on the date listed under "Date In". First reviews are anticipated to be completed within 4 weeks and all subsequent submittals within 2 weeks under normal circumstances. The anticipated date that the review will be completed is listed under "Date Due". Complex projects, deferred submittals, holidays, and abnormal workloads are a few factors that might affect staff's ability to meet the timeline. The date original plans have been received for City approval is listed under "Originals". It is expected that staff will review new project submittals and update the above status by the next business day. Any questions may be directed to the City's Plan Checker whose initials are listed under "Engineer". The Engineering Mainline (559-324-2350) and the DRU Manager (Sean Smith, 559-324-2363) are available alternatives in case the Plan Checker has not responded in a reasonable time.

CITY OF CLOVIS: DRU PROJECTS IN FOR REVIEW

Friday, May 17, 2019
