INSPECTION REQUESTS

Call to request an inspection with the City of Clovis at 324-2337 or use the City of Clovis web page: https://css.cityofclovis.com/EnerGov_Prod/SelfService#/home to schedule an inspection.

The phone call must be made before 4:00 p.m. for the next day's inspections. The online inspection request can be completed until midnight the day before.

A.M., P.M., or specific time requests will be considered but not guaranteed. These types of requests are dependent on the inspector's workload.

To avoid delays in the project, please ensure that the work to be inspected is complete and per approved plans. Also, ensure that the approved plans and job card is on-site and that the inspector has access to these documents.
