ENGINEER'S REPORT
CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1
2014-2015 TWENTIETH YEAR

I, John Holt, City Clerk of the City of Clovis, do hereby certify that the following "ENGINEER'S REPORT FOR CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1, including the Assessment and Assessment Roll in the amounts set forth therein as the "Confirmed Assessment", with the Assessment Diagram attached thereto, was filed with me on the 12 day of April, 2014

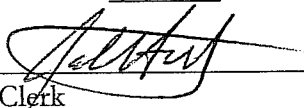

City Clerk, City of Clovis, California

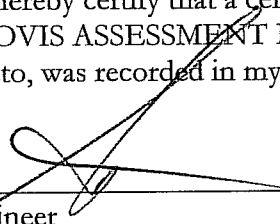

I have prepared this Engineer's Report and do hereby certify that the amount set forth herein as the "Confirmed Assessment Amount" and the individual assessments as shown under the Column entitled "Confirmed Assessment Amount" on Exhibit "A", attached hereto, have been computed by me in accordance with the order of the City Council of the City of Clovis adopted as Resolution No. 14-34, on APRIL 21, 2014

James B. Preble
Assessment Engineer,
Assessment District No. 1995-1

I, John Holt, City Clerk of the City of Clovis do hereby certify that the following "ENGINEER'S REPORT FOR CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1 and the Assessment contained therein, was approved by the City Council of the City of Clovis on the 12 day of April, 2014, by Council's adoption of Resolution No. 14-34.

City Clerk
City of Clovis, California

I, Steven E. White, as City Engineer of the City of Clovis do hereby certify that a certified copy of the following "ENGINEER'S REPORT FOR CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1, together with the Assessment Diagram attached thereto, was recorded in my office on the 12 day of April, 2014

City Engineer
City of Clovis, California

A Notice of Assessment was recorded and the Assessment Diagram was filed in the office of the County Recorder of the County of Fresno, California, on _____, 20 ____.

County Recorder,
County of Fresno, California

ENGINEER'S REPORT
CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1
2014-2015 TWENTIETH YEAR

SECTION I

GENERAL DESCRIPTION OF BOUNDARIES AND
ENGINEER'S REPORT SUBMITTAL STATEMENT

GENERAL DESCRIPTION OF BOUNDARIES

On May 1, 1995, the City Council of the City of Clovis (herein "City Council") adopted its Resolution No. 95-42, Approving Map of Proposed Boundaries And Designating Name Of City of Clovis Assessment District No. 1995-1 (herein "AD 1995-1"). AD 1995-1 is located in the incorporated territory in a portion of Section 32, Township 12 South, Range 21 East (T 12 S, R 21 E), Mount Diablo Base and Meridian (MDB&M).

Reference is made to the map entitled "PROPOSED BOUNDARIES OF CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1, CITY OF CLOVIS, COUNTY OF FRESNO, STATE OF CALIFORNIA" (herein AD 1995-1 Boundary Map") consisting of one (1) sheet on file in the office of the city Clerk of the City of Clovis (herein "City Clerk"), for a more particular description of the boundaries of AD 1995-1. The AD 1995-1 Boundary Map shows the general vicinity and location of AD 1995-1 and indicates by a boundary line and written description the exterior boundaries of the composite and consolidated area included within AD 1995-1.

The AD 1995-1 Boundary Map is too bulky to be bound with this Engineer's Report. A reduced, not to scale copy is attached hereto as Appendix A and incorporated herein by reference as though set forth in full.

AD 1995-1 is generally described as follows:

All of that portion of the Southwest quarter of Section 32, Township 12 South, Range 21 East, Mount Diablo Base and Meridian, in the City of Clovis, County of Fresno, State of California, described as follows:

Commencing at the West quarter corner of said Section 32; thence S.00°02'07"E., 49.75 feet; thence S.89°55'05"E., 60.00 feet to the TRUE POINT OF BEGINNING of this description; thence N.45°01'24"E., 2.46 feet; thence S.89°55'05" E., 198.26 feet; thence N.88°56'10"E., 294.38 feet; thence S.44°55'05"E., 6.91 feet; thence S.89°55'05"E., 77.21 feet; thence S.44°55'05"E., 5.36 feet; thence S.89°55'05"E.,86.50 feet; thence N.45°04'55"E., 12.43 feet; thence S.89°55'05" E., 402.61 feet; thence S.44°57'45" E., 20.66 feet; thence S.00°00'27" E., 0.37 feet; thence N.89°59'33"E., 7.00 feet; thence S.89°48'23"E., 40.00 feet; thence N.89°59'33"E., 7.00 feet; thence N.00°00'27"W., 0.42 feet; thence N.45°02'15"E., 20.65 feet; thence S.89°55'05"E., 100.39 feet; thence S.00°00'27"E., 1092.18 feet; thence S.81°28'55"W., 51.24 feet; thence N.86°19'37"W., 112.00 feet; thence N.81°37'33"W.,164.32 feet; thence N.84°30'55"W., 79.89 feet to the beginning

of a tangent curve concave Southeasterly with a radius of 406.64 feet; thence Southwesterly along said curve through an interior angle of $46^{\circ}30'54''$ an arc distance of 330.12 feet; thence $S.48^{\circ}58'12''W.$, 121.71 feet; thence $S.45^{\circ}19'36''W.$, 152.53 feet; thence $S.43^{\circ}14'31''W.$, 123.79 feet; thence $S.43^{\circ}38'33''W.$, 168.58 feet to the beginning of a tangent curve concave to the Northwest with a radius of 1073.24 feet; thence Southwesterly along said curve through an interior angle of $05^{\circ}44'18''$ an arc distance of 107.49 feet; thence $S.49^{\circ}22'51''W.$, 83.35 feet to the beginning of a non tangent curve concave Northeasterly whose radius point bears $N.66^{\circ}49'13'' E.$, a distance of 470.00 feet; thence Southeasterly along said curve through an interior angle of $5^{\circ}50'40''$ an arc distance of 47.94 feet; thence $S.29^{\circ}01'27'' E.$, 39.41 feet; thence $S.49^{\circ}22'51''W.$, 54.87 feet; thence $N.43^{\circ}35'10''W.$, 24.85 feet; thence $N.29^{\circ}01'27''W.$, 26.39 feet to the beginning of a tangent curve concave Northeasterly with a radius of 530.00 feet; thence Northwesterly along said curve through an interior angle of $28^{\circ}59'20''$ an arc distance of 268.15 feet; thence $N.00^{\circ}06'36'' E.$, 20.62 feet to the beginning of a tangent curve concave Southwesterly with a radius of 70.00 feet; thence Northwesterly along said curve through an interior angle of $56^{\circ}27'22''$ an arc distance of 68.97 feet; thence $N.56^{\circ}20'46''W.$, 41.13 feet; thence $N.32^{\circ}26'28'' E.$, 50.77 feet to the beginning of a nontangent curve concave to the Northeast whose radius point bears $N.33^{\circ}26'54'' E.$, a distance of 20.00 feet; thence Northwesterly along said curve through an interior angle of $03^{\circ}17'17''$ an arc distance of 1.15 feet to the beginning of a non tangent curve concave Northwesterly whose radius point bears $N.58^{\circ}20'39''W.$, a distance of 865.33 feet; thence Northeasterly along said curve through an interior angle of $31^{\circ}41'28''$ an arc distance of 478.63 feet; thence $N.00^{\circ}02'07''W.$, 17.66 feet; thence $N.14^{\circ}00'03'' E.$, 41.23 feet; thence $N.00^{\circ}02'07''W.$, 262.00 feet; thence $N.14^{\circ}04'17''W.$, 41.24 feet; thence $N.00^{\circ}02'07''W.$, 536.29 feet to the TRUE POINT OF BEGINNING.

Within AD 1995-1, Benefit Area I is generally described as follows:

All of that portion of the Southwest Quarter of Section 32, Township 12 South, Range 21 East, Mount Diablo Base and Meridian, in the City of Clovis, County of Fresno, State of California, described as follows:

Commencing at the West Quarter Corner of said Section 32; thence $S.00^{\circ}02'07'' E.$, 49.74 feet; thence $S.89^{\circ}55'05'' E.$, 60.00 feet; thence $S.00^{\circ}02'07'' E.$, 536.29 feet; thence $S.14^{\circ}04'17'' E.$, 29.88 feet to the TRUE POINT OF BEGINNING; thence $S.89^{\circ}55'05'' E.$, 517.19 feet; thence $N.00^{\circ}00'27''W.$, 2.83 feet to the beginning of a tangent curve concave to the Southwest with a radius of 15.00 feet; thence Northwesterly along said curve through an interior angle of $73^{\circ}00'13''$ an arc distance of 19.11 feet to the beginning of a reverse curve concave Easterly with a radius of 50.00 feet; thence Northwesterly, Northerly, and Northeasterly along said curve through an interior angle of $163^{\circ}05'35''$ an arc distance of 142.33 feet; thence $S.89^{\circ}55'05'' E.$, 164.92 feet; thence $S.00^{\circ}00'27'' E.$, 448.05 feet; thence $S.10^{\circ}35'07'' E.$, 54.00 feet; thence $S.00^{\circ}00'27'' E.$, 117.35 feet to the beginning of a non tangent curve concave Southeasterly whose radius point bears $S.16^{\circ}22'56'' E.$, a distance 406.64 feet; thence Southwesterly along said curve through an interior angle of $24^{\circ}38'52''$ an arc distance of 174.93 feet; thence $S.48^{\circ}58'12''W.$, 121.71 feet; thence $S.45^{\circ}19'36''W.$, 152.53 feet; thence $S.43^{\circ}14'31''W.$, 123.79 feet; thence $S.43^{\circ}38'33''W.$, 168.58 feet to the beginning of a tangent curve concave to the Northwest with a radius of 1073.24 feet; thence Southwesterly along said curve through an interior angle of $5^{\circ}44'18''$ an arc distance of 107.49 feet; thence $S.49^{\circ}22'51''W.$, 83.35 feet to the beginning of a non tangent curve concave

Northeasterly whose radius point bears N.66°49'13"E., a distance of 470.00 feet; thence Southeasterly along said curve through an interior angle of 5°50'40" an arc distance of 47.94 feet; thence S.29°01'27" E., 39.41 feet; thence S.49°22'51"W., 54.87 feet; thence N.43°35'10"W., 24.85 feet; thence N.29°01'27"W., 26.39 feet to the beginning of a tangent curve concave Northeasterly with a radius of 530.00 feet; thence Northwesterly along said curve through an interior angle of 28°59'20" an arc distance of 268.15 feet; thence N.00°06'36"E., 20.62 feet to the beginning of a tangent curve concave Southwesterly with a radius of 70.00 feet; thence Northwesterly along said curve through an interior angle of 56°27'22" an arc distance of 68.97 feet; thence N.56°20'46"W., 41.13 feet; thence N.32°26'28" E., 50.77 feet to the beginning of a non tangent curve concave to the Northeast whose radius point bears N.33°26'54" E., a distance of 20.00 feet; thence Northwesterly along said curve through an interior angle of 3°17'17" an arc distance of 1.15 feet to the beginning of a nontangent curve concave Northwesterly whose radius point bears N.58°20'39"W., a distance of 865.33 feet; thence Northeasterly along said curve through an interior angle of 31°41'28" an arc distance of 478.63 feet; thence N.00°02'07"W., 17.66 feet; thence N.14°00'03"E., 41.23 feet; thence N.00°02'07"W., 262.00 feet; thence N.14°04'17"W., 11.36 feet to the TRUE POINT OF BEGINNING.

And Benefit Area II is generally described as follows:

All of that portion of the Southwest quarter of Section 32, Township 12 South, Range 21 East, Mount Diablo Base and Meridian, in the City of Clovis, County of Fresno, State of California, described as follows:

Commencing at the West quarter corner of said Section 32; thence S.00°02'07" E., 49.75 feet; thence S.89°55'05" E., 60.00 feet to the TRUE POINT OF BEGINNING of this description; thence N.45°01'24" E., 2.46 feet; thence S.89°55'05" E., 198.26 feet; thence N.88°56'10" E., 294.38 feet; thence S.44°55'05" E., 6.91 feet; thence S.89°55'05" E., 77.21 feet; thence S.44°55'05" E., 5.36 feet; thence S.89°55'05" E., 86.50 feet; thence N.45°04'55" E., 12.43 feet; thence S.89°55'05" E., 402.61 feet; thence S.44°57'45" E., 20.66 feet; thence S.00°00'27" E., 0.37 feet; thence N.89°59'33" E., 7.00 feet; thence S. 89°48'23" E., 40.00 feet; thence N. 89°59'33" E., 7.00 feet; thence N.00°00'27"W., 0.42 feet; thence N.45°02'15" E., 20.65 feet; thence S.89°55'05" E., 100.39 feet; thence S.00°00'27" E., 1092.18 feet; thence S.81°28'55"W., 51.24 feet; thence N.86°19'37"W., 112.00 feet; thence N.81°37'33"W., 164.32 feet; thence N.84°30'55"W., 79.89 feet to the beginning of a tangent curve concave Southeasterly with a radius of 406.64 feet; thence Southwesterly along said curve through an interior angle of 46°30'54" an arc distance of 330.12 feet; thence S.48°58'12"W., 121.71 feet; thence S.45°19'36"W., 152.53 feet; thence S.43°14'31"W., 123.79 feet; thence S.43°38'33"W., 168.58 feet to the beginning of a tangent curve concave to the Northwest with a radius of 1073.24 feet; thence Southwesterly along said curve through an interior angle of 5°44'18" an arc distance of 107.49 feet; thence S.49°22'51"W., 83.35 feet to the beginning of a non tangent curve concave Northeasterly whose radius point bears N.66°49'13" E., a distance of 470.00 feet; thence Southeasterly along said curve through an interior angle of 05°50'40" an arc distance of 47.94 feet; thence S.29°01'27" E., 39.41 feet; thence S.49°22'51"W., 54.87 feet; thence N.43°35'10"W., 24.85 feet; thence N.29°01'27"W., 26.39 feet to the beginning of a tangent curve concave Northeasterly with a radius of 530.00 feet; thence Northwesterly along said curve through an interior angle of 28°59'20" an arc distance of 268.15 feet; thence N.00°06'36" E., 20.62 feet to the beginning of a tangent curve concave Southwesterly with a radius of 70.00 feet; thence

Northeasterly along said curve through an interior angle of $56^{\circ}27'22''$ an arc distance of 68.97 feet; thence $N.56^{\circ}20'46''W.$, 41.13 feet; thence $N.32^{\circ}26'28'' E.$, 50.77 feet to the beginning of a nontangent curve concave to the Northeast whose radius point bears $N.33^{\circ}26'54'' E.$, a distance of 20.00 feet; thence Northwesterly along said curve through an interior angle of $3^{\circ}17'17''$ an arc distance of 1.15 feet to the beginning of a nontangent curve concave Northwesterly whose radius point bears $N.58^{\circ}20'39''W.$, a distance of 865.33 feet; thence Northeasterly along said curve through an interior angle of $31^{\circ}41'28''$ an arc distance of 478.63 feet; thence $N.00^{\circ}02'07''W.$, 17.66 feet; thence $N.14^{\circ}00'03'' E.$, 41.23 feet; thence $N.00^{\circ}02'07''W.$, 262.00 feet; thence $N.14^{\circ}04'17''W.$, 41.24 feet; thence $N.00^{\circ}02'07''W.$, 536.29 feet to the TRUE POINT OF BEGINNING.

Excepting therefrom:

Commencing at the West quarter corner of said Section 32; thence $S.00^{\circ}02'07'' E.$, 49.74 feet; thence $S.89^{\circ}55'05'' E.$, 60.00 feet; thence $S.00^{\circ}02'07'' E.$, 536.29 feet; thence $S.14^{\circ}04'17'' E.$, 29.88 feet to the TRUE POINT OF BEGINNING; thence $S.89^{\circ}55'05'' E.$, 517.19 feet; thence $N.00^{\circ}00'27''W.$, 2.83 feet to the beginning of a tangent curve concave to the Southwest with a radius of 15.00 feet; thence Northwesterly along said curve through an interior angle of $73^{\circ}00'13''$ an arc distance of 19.11 feet to the beginning of a reverse curve concave Easterly with a radius of 50.00 feet; thence Northwesterly, Northerly, and Northeasterly along said curve through an interior angle of $163^{\circ}05'35''$ an arc distance of 142.33 feet; thence $S.89^{\circ}55'05'' E.$, 164.92 feet; thence $S.00^{\circ}00'27'' E.$, 448.05 feet; thence $S.10^{\circ}35'07'' E.$, 54.00 feet; thence $S.00^{\circ}00'27'' E.$, 117.35 feet to the beginning of a non tangent curve concave Southeasterly whose radius point bears $S.16^{\circ}22'56'' E.$, a distance 406.64 feet; thence Southwesterly along said curve through an interior angle of $24^{\circ}38'52''$ an arc distance of 174.93 feet; thence $S.48^{\circ}58'12''W.$, 121.71 feet; thence $S.45^{\circ}19'36''W.$, 152.53 feet; thence $S.43^{\circ}14'31''W.$, 123.79 feet; thence $S.43^{\circ}38'33''W.$, 168.58 feet to the beginning of a tangent curve concave to the Northwest with a radius of 1073.24 feet; thence Southwesterly along said curve through an interior angle of $5^{\circ}44'18''$ an arc distance of 107.49 feet; thence $S.49^{\circ}22'51''W.$, 83.35 feet to the beginning of a non tangent curve concave Northeasterly whose radius point bears $N.66^{\circ}49'13'' E.$, a distance of 470.00 feet; thence Southeasterly along said curve through an interior angle of $5^{\circ}50'40''$ an arc distance of 47.94 feet; thence $S.29^{\circ}01'27'' E.$, 39.41 feet; thence $S.49^{\circ}22'51''W.$, 54.87 feet; thence $N.43^{\circ}35'10''W.$, 24.85 feet; thence $N.29^{\circ}01'27''W.$, 26.39 feet to the beginning of a tangent curve concave Northeasterly with a radius of 530.00 feet; thence Northwesterly along said curve through an interior angle of $28^{\circ}59'20''$ an arc distance of 268.15 feet; thence $N.00^{\circ}06'36'' E.$, 20.62 feet to the beginning of a tangent curve concave Southwesterly with a radius of 70.00 feet; thence Northwesterly along said curve through an interior angle of $56^{\circ}27'22''$ an arc distance of 68.97 feet; thence $N.56^{\circ}20'46''W.$, 41.13 feet; thence $N.32^{\circ}26'28'' E.$, 50.77 feet to the beginning of a non tangent curve concave to the Northeast whose radius point bears $N.33^{\circ}26'54'' E.$, a distance of 20.00 feet; thence Northwesterly along said curve through an interior angle of $3^{\circ}17'17''$ an arc distance of 1.15 feet to the beginning of a non tangent curve concave Northwesterly whose radius point bears $N.58^{\circ}20'39''W.$, a distance of 865.33 feet; thence Northeasterly along said curve through an interior angle of $31^{\circ}41'28''$ an arc distance of 478.63 feet; thence $N.00^{\circ}02'07''W.$, 17.66 feet; thence $N.14^{\circ}00'03'' E.$, 41.23 feet; thence $N.00^{\circ}02'07''W.$, 262.00 feet; thence $N.14^{\circ}04'17''W.$, 11.36 feet to the TRUE POINT OF BEGINNING.

ENGINEER'S REPORT SUBMITTAL STATEMENT

I, Steven E. White, having been appointed the Engineer of Work for AD 1995-1 by adoption of City Council Resolution No. 95-42, to do and perform all services in making estimates of costs, and diagram and assessment, and pursuant to the provisions of the Benefit Assessment Act of 1982, and pursuant to the Charter and Municipal Code of the City of Clovis (herein "Municipal Code") and to Section 10204 contained in the State Code, and in accordance with City Council Resolution

No. 95-40, being a Resolution of Intention Regarding Maintenance of Improvements by Special Assessment in the Matter of the City of Clovis Assessment District No. 1995-1 (herein "Resolution of Intention"), herewith submit the "Engineer's Report" for AD 1995-1.

1. GENERAL DESCRIPTION OF WORKS AND IMPROVEMENTS TO BE MAINTAINED:

A General Description of Improvements to be maintained pursuant to AD 1995-1 proceedings is:

Reference is made to the map of Tract No. 4299, Tract No. 4661, and Tract No. 4668 in the City of Clovis, County of Fresno, State of California, together with two (2) Lot Line Adjustments processed with the City of Clovis impacting various lots in these Tracts, and to the Street Improvement Plans prepared for the three Tracts.

For the purposes of the 2002 - 2003 Assessment Spread, the total district has been divided into two (2) areas. Benefit Area I consists primarily of Tract 4299-A with Assessment Parcels No. 1 through 43, together with two (2) additional parcels created from Tract No. 4668 and the unsubdivided area immediately to the East, which have been designated Assessment Parcels No. 44 and 45. The remainder of the District is now designated Benefit Area II and will include the remaining lots in Tract No. 4668 and Tract No. 4661. The lots in Tract No. 4668 and Tract No. 4661 shall comprise Assessment Parcels 46 through 126.

Items to be maintained are related to the streets within the boundaries of Tract No. 4299, Tract No. 4668, and Tract No. 4661, namely Birch Avenue, Cherry Lane, Chennault Avenue, Oxford Avenue, Harvard Avenue, Minarets Avenue, Oak Avenue, and Dartmouth Avenue, as shown on the Boundary Map of Assessment District No. 1995-1.

Improvements along Minnewawa Avenue and Alluvial Avenue, are excluded from maintenance by Assessment District No. 1995-1.

Items to be maintained are as follows:

1. All sidewalks parallel to the above named streets and within 27 feet of the center line of the streets.
2. All curbs and gutters that are a part of the above named streets.
3. All paved sections that are a part of the above named streets.
4. All valley gutters that are a part of the above named streets.
5. The four entrance control gates located on Birch Avenue, Chennault Avenue, Oxford Avenue, and Dartmouth Avenue.
6. Median Islands that are within the above named streets.
7. Landscaping in the median islands described in 6 above.
8. Drainage Inlet structures that are located on the above named streets.
9. All street lights that are located on the above named streets that are a part of the street lighting system as normally required by the City of Clovis.

Maintenance shall include all labor, materials, transportation, parts, electricity, equipment, etc. deemed by the District Administrator, to be necessary and required to operate, maintain, preserve and replace the above named items of improvement.

2. ESTIMATE OF TOTAL ASSESSMENT DISTRICT MAINTENANCE AND INCIDENTAL COSTS:

An itemized breakdown of the estimated total maintenance and incidental costs and expenses included in Exhibit "B", ENGINEER'S SUMMARY, ESTIMATED TOTAL COST ASSESSED, attached hereto and incorporated herein by reference as though set forth in full.

3. ASSESSMENT DIAGRAM:

The diagram entitled "ASSESSMENT DIAGRAM OF CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1, COUNTY OF FRESNO, STATE OF CALIFORNIA" (herein "AD 1995-1 Assessment Diagram") consisting of two (2) sheets is on file with the City Clerk and incorporated herein by reference as though set forth in full.

The AD 1995-1 Assessment Diagram shows all of the following:

- A. The exterior boundaries of AD 1995-1.
 - B. The boundary between Benefit Area I and Benefit Area II.
 - C. The lines and dimensions of each parcel and subdivision of land within AD 1995-1 as they existed at the time of Preliminary Approval of this Engineer's Report by the City Council, each lot and parcel of land having been assigned a separate assessment number upon the Diagram.
 - D. The assessment numbers assigned to each separate parcel and subdivision of land and shown on the AD 1995-1 Assessment Diagram correspond with the numbers shown on the Assessment Roll as contained herein.
4. ASSESSMENT AND ASSESSMENT ROLL:
- A. Assessment of AD 1995-1 Maintenance and Incidental Costs:

An Assessment of the Estimated Total Maintenance Costs and Expenses in connection with the AD 1995-1 proceedings is presented in Section II of this Engineer's Report.
 - B. Assessment Roll:

An Assessment Roll for AD 1995-1 is attached hereto as Exhibit "A" and incorporated herein by reference as though set forth in full. The Assessment Roll shows the exact amount of the total estimated cost of the maintenance of the improvements that is assessed upon each of the several subdivisions of land within AD 1995-1 in proportion to the estimated benefits to be received by each such subdivision, respectively, from the maintenance of those improvements. The assessment numbers that appear on the Assessment Roll correspond to the diagram numbers shown on the Assessment Diagram.
 - C. Maximum Annual Assessment for Assessment District Administration Costs:

Section II of this Engineer's Report also includes a statement of the proposed maximum annual assessment upon each of the several subdivisions of land in AD 1995-1 to pay the costs incurred by the City of Clovis, the County of Fresno, the District Administrator and the District Engineer, and not otherwise reimbursed, which result from the administration and collection of assessments and reserve or other related funds. This maximum annual assessment is levied pursuant to Subdivision (f) of Section 10204 of the State Code.

5. ASSESSMENT SPREAD METHOD:

A description of the Assessment Spread Method used to apportion the total estimated cost of the maintenance and incidental costs to the several subdivisions of land in AD 1995-1, in direct proportion to the benefits received by each subdivision, respectively, from said maintenance and incidental costs, is attached hereto as Exhibit "C" and incorporated herein by referenced as though set forth in full.

ENGINEER'S REPORT
CITY OF CLOVIS, ASSESSMENT DISTRICT NO. 1995-1
2014-2015 TWENTIETH YEAR

SECTION II

ASSESSMENT

WHEREAS, on April 17, 1995, the City Council, pursuant to the provisions of the City Charter and Municipal Code and to the provisions of the Benefit Assessment Act of 1982, adopted its Resolution of Intention No. 95-40, for the maintenance of improvements more particularly described therein and did declare its intention to levy a maximum annual assessment pursuant to Subdivision (f) of Section 10204 of the State Code to provide for costs required for the administration and collection of assessments and for the maintenance and repair of the improvements within the boundaries of said AD 1995-1 as follows:

Items to be maintained are related to the streets within the boundaries of Tract No. 4299, Tract No. 4668, and Tract No. 4661, namely Birch Avenue, Cherry Lane, Chennault Avenue, Oxford Avenue, Harvard Avenue, Minarets Avenue, and Oak Avenue, as shown on the Boundary Map of Assessment District No.1995-1. Improvements along Minnewawa Avenue and Alluvial Avenue, are excluded from maintenance by Assessment District No. 1995-1.

Items to be maintained are as follows:

1. All sidewalks parallel to the above named streets and within 27 feet of the center line of the streets.
2. All curbs and gutters that are a part of the above named streets.
3. All paved sections that are a part of the above named streets.
4. All valley gutters that are a part of the above named streets.
5. The four entrance control gates located on Birch Avenue, Harvard Avenue and Chennault Avenue and North Dartmouth Avenue.
6. Median Islands that are within the above named streets.
7. Landscaping in the median islands described in 6 above.
8. Drainage Inlet structures that are located on the above named streets.

9. All street lights that are located on the above named streets that are a part of the street lighting system as normally required by the City of Clovis.

Maintenance shall include all labor, materials, transportation, parts, electricity, equipment, etc. deemed by the District Administrator, to be necessary and require operate, maintain, preserve and replace the above named items of improvement.

WHEREAS, said Resolution of Intention directed the undersigned to make and file a report presenting a general description of all improvements to be maintained, estimate of maintenance and incidental related costs, and diagram and assessment of and upon the subdivisions of land within the assessment district, to which Resolution Of Intention reference is hereby made for further particulars.

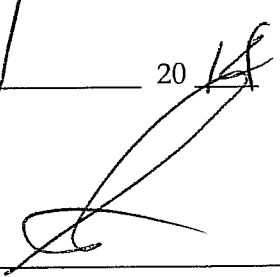

NOW, THEREFORE, I, Steven E. White, City Engineer for the City of Clovis and duly appointed Engineer of Work for AD 1995-1, by virtue of the power vested in me under the Charter and Municipal Code and under the 1982 Act and the order of the City Council of the City of Clovis, hereby make the following assessment to cover the estimated cost of the maintenance of the improvements and the costs and expenses incidental thereto to be paid by AD 1995-1.

1. The amount to be paid for the maintenance of the improvements, and the expenses incidental thereto is generally as shown in the Exhibit "B" of this Engineer's Report.
2. Pursuant to the provisions of law and of the Resolution of Intention, I have assessed the total amount of the costs and expenses of the maintenance of the improvements, and expenses incidental thereto upon the several lots, pieces or parcels or portions of lots or subdivisions of land liable therefor and benefitted thereby and hereinafter numbered to correspond with the numbers upon the attached Assessment Diagram, upon each in direct proportion and relation to the estimated benefits to be received by such subdivisions, respectively, from the maintenance of the improvements, all as is more particularly set forth in the Assessment Roll, attached hereto as Exhibit "A" and incorporated herein by reference as though set forth in full. The numbers on the Assessment Roll correspond with the numbers assigned to each respective parcel and shown on the Assessment Diagram. Each subdivision of land assessed is described in the within Assessment Roll, by reference to maps and deeds of record.

For a more particular description of the manner in which the Estimated Maintenance Cost and Incidental Expenses have been assessed upon the several subdivisions of land in AD 1995-1, reference is made to the Description of Assessment Spread Method, attached hereto as Exhibit "C" and incorporated herein by reference as though set forth in full.

3. As required by law, the assessment diagram entitled "ASSESSMENT DIAGRAM OF CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1, COUNTY OF FRESNO, STATE OF CALIFORNIA," consisting of two (2) sheets, is on file in the office of the City clerk. The Assessment Diagram for AD 1995-1 being too bulky to be bound with this Engineer's Report, a reduced, not to scale copy is attached hereto as Appendix "B" and incorporated herein by reference as though set forth in full. For a more particular description of the AD 1995-1 exterior boundaries, reference is made to the map entitled "PROPOSED BOUNDARIES OF CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1, COUNTY OF FRESNO, STATE OF CALIFORNIA," on file in the office of the City Clerk, attached hereto in reduced, not to scale form as Appendix "A" and incorporated herein by reference as though set forth in full.

Submitted for approval on the 22nd day of April 2018

2014-2015 TWENTIETH YEAR

BENEFIT AREA I
STATEMENT OF COSTS

PAVEMENT AND SIGNING REPAIR

Description of Method of Estimate

- A. The work covered by this item is the repair of one of the following:
1. A portion of the street pavement
 2. A portion of the curb, gutter or sidewalk
 3. A street or traffic sign
 4. A storm drain inlet
 5. A concrete Valley Gutter
- B. It is estimated that a contractor who is hired by the District Administrator to do any of the repairs stated in Item A will use two men, one truck and the materials necessary to make the repairs.
- C. Seven years of historical data have documented that pavement and signing repair are less than previously estimated, and a reserve has been created for this item.
- D. Based upon historical data and the available reserve, the estimated pavement and signing costs for the current year has been held at \$50.00.
- E. The amount to be assessed for pavement and signing repair is \$50.00 per year.

CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1

2014-2015 TWENTIETH YEAR

BENEFIT AREA I
STATEMENT OF COSTS

ELECTRONIC GATE MAINTENANCE

There are two electronic gates that will be maintained by the District. The District maintains insurance for the damage and/or destruction of the gates with a \$500.00 deductible plan. The insurance is per the current policy renewal premium invoice from State Farm Insurances. If the gates are damaged, the maximum that the District will contribute toward the repair or replacement of the gates is \$500.00 per occasion.

During the past year, the electronic gate system has developed the need for major repair and/or replacement. To establish a reserve for replacement, this assessment is increased to \$1,500.00.

The total annual assessment for Electronic Gate Maintenance/Replacement is \$1,500.00.

CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1

2014-2015 TWENTIETH YEAR

BENEFIT AREA I
STATEMENT OF COSTS

TELEPHONE COSTS

The telephone costs are the costs of maintaining the telephone that is located at the entrance gate which will be used by people at the gate to communicate with the residents of the District.

There are two gates. One gate is an "Exit Only" gate. There will therefore be one telephone to be maintained.

The telephone system will be a private system and the costs for maintaining the system will be the costs for repair of the telephone equipment. Historical data over the preceding four-years has documented the average annual costs for repair of telephone equipment to be \$70.00 per year, a reduction from previous estimates, to be covered by the General Reserve.

The monthly charge for the telephone by Pacific Bell will be based on all local calls. Historical data shows the average monthly charge to be \$24.00 per month, or \$288.60 per year.

The total annual assessment for Telephone Operation and Maintenance is \$288.00.

CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1

2014-2015 TWENTIETH YEAR

BENEFIT AREA I
STATEMENT OF COSTS

STREET SURFACE MAINTENANCE

The reserve for street surface maintenance has been re-allocated as a portion of the General Reserve Account. There will be no line item assessment for street surface maintenance.

CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1

2014-2015 TWENTIETH YEAR

BENEFIT AREA I
STATEMENT OF COSTS

STREET SWEEPING

These costs are based on a firm bid obtained by the District Administrator.

The streets will be swept once a month within Benefit Area I, for a cost of \$135/month.

The portion allocated to Benefit Area I is \$135.00/month.

The assessment to Benefit Area I is therefore $12 \times \$135.00 = \$1,620.00$

CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1

2014-2015 TWENTIETH YEAR

BENEFIT AREA I
STATEMENT OF COSTS

LANDSCAPE MAINTENANCE

The areas, where landscaping was originally scheduled to be maintained by the District, are in the planters in the median islands constructed at the gates. The total area of landscaping to be maintained was approximately 500 square feet.

Historically, the residents within Benefit Area I have routinely requested a higher level of landscape installation and maintenance than was originally planned, including the planting of annual flowers and resulting increased maintenance costs. As a result, the annual assessment for landscape maintenance was increased by \$1200.00 during the fiscal year 1999-2000,

Based upon a firm bid obtained by the District Administrator, the total cost of Landscape Maintenance including City of Clovis Water charges, is \$275.00 per month.

The Annual Assessment to Benefit Area I is $12 \times \$275.00 = \$3,300.00$.

CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1

2014-2015 TWENTIETH YEAR

BENEFIT AREA I
STATEMENT OF COSTS

ELECTRICAL COSTS FOR GATE OPERATIONS AND STREET LIGHTS

These costs are estimated based upon seven years of historical data, adjusted for rate increases which occurred during the calendar year 2003.

The average cost per month for electricity during the preceding 12 months was \$336.25.

The estimated annual assessment for electrical costs for gate operations and street lights is
 $12 \times \$336.25 = \$4,035.00$ per year.

CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1

2014-2015 TWENTIETH YEAR

BENEFIT AREA I
STATEMENT OF COSTS

COUNTY OF FRESNO COSTS

The costs of the County of Fresno are related to the collection of the assessments each year and the transferring of the money to the City of Clovis. Fresno charges 1/4 of 1% of the amount of the assessment for their service.

The total amount of the assessment for the year of this assessment is $0.0025 \times \$25,650 = \62.66 .
The amount to be assessed for the County of Fresno costs is \$63.00.

CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1

2014-2015 TWENTIETH YEAR

BENEFIT AREA I
STATEMENT OF COSTS

DISTRICT ADMINISTRATOR COSTS

The District Administrator is Pacific Central Management Corporation, a Real Estate Management Firm. They have a contract with the District to manage the maintenance of the improvements for the District for the amount of \$22,680.00 per year, or \$180.00 per parcel.

The amount to be assessed for the administration of Benefit Area I within the District is 45 x \$180.00 or \$8,100.00 per year.

CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1

2014-2015 TWENTIETH YEAR

BENEFIT AREA I
STATEMENT OF COSTS

CITY OF CLOVIS COSTS

The City of Clovis will have many responsibilities for the administration of the District. Included in these costs are:

- a. City Council Costs related to notices, hearings, etc.
- b. Attorney fees for the City Attorney to prepare the legal documents as are required for the operation of the District.
- c. Staff time for the preparation of documents necessary for the on-going operation of the District.
- d. Staff time for the review of documents prepared by District Consultants as necessary for the on going operations of the District.
- e. Staff time related to the timely application of necessary maintenance and repairs as required.

Historically, the City of Clovis has assessed minimal charges to the District for their services.

The estimated annual cost for the City is \$150.00.

The total annual assessment of City of Clovis costs is \$150.00.

CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1

2014-2015 TWENTIETH YEAR

BENEFIT AREA I
STATEMENT OF COSTS

DISTRICT ENGINEER COSTS

The District Engineer is James B. Preble, a professional civil engineer. He has an agreement with the District to perform the engineering services for the District for the sum of \$1,500.00.

The amount to be assessed for the services of the District Engineer to Benefit Area I is \$500.00.

CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1

2014-2015 TWENTIETH YEAR

BENEFIT AREA I
STATEMENT OF COSTS

INSURANCE COSTS

Assessment District No. 1995-1 will carry property damage insurance for protection for damage to the gates and Comprehensive General Liability Insurance with Excess Coverage.

The property insurance will be issued by State Farm Insurance Company. It provides for a maximum of \$80,000.00 per occurrence for damage to the gates and fences with a \$500.00 deductible. The cost of one gate new is about \$8,500.00. The cost of the property insurance is \$500.00 per year.

The Comprehensive Liability Insurance will also be issued by State Farm Insurance Company, and the coverage is as follows:

\$3,000,000.00	General Aggregate
\$3,000,000.00	Each Occurrence
\$3,000,000.00	Personal Injury
\$ 50,000.00	Fire Damage Legal Liability

The total premiums for the Property Damage and Liability Insurance are \$761.00.

The total District cost for the insurance is \$761.00.

The assessment for Insurance Costs to Benefit Area I is \$761.00

CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1

2014-2015 TWENTIETH YEAR

BENEFIT AREA I
STATEMENT OF COSTS

GENERAL RESERVE

On the recommendation of the District Administrator and the City of Clovis Finance Department, the General Reserve was established to provide funding for known periodic expenses that do not occur on a monthly, or even annual basis.

Included in the General Reserve are funds for the Street Surface Maintenance,, Gate Operator Replacement, Gate Support Columns and Track Repair, and Gate Phone/Phone Board Replacement. The General Reserve also includes minor adjustments to facilitate even-dollar assessments to the individual parcels.

The General Reserve assessments for these items are:

Street Surface Maintenance	\$1,365.00
Gate Operator Replacement	\$1,071.43
Gate Entry & Track Repair	\$ 750.00
Gate Phone/Phone Board Replacement	\$ 500.00
Even-Dollar Adjustment	\$ 15.57

	\$3,698.00

The total annual assessment to Benefit Area I for General Reserve is \$3,698.00

DESCRIPTION OF ASSESSMENT SPREAD METHOD

EXHIBIT "C"

ENGINEER'S REPORT CITY OF CLOVIS ASSESSMENT DISTRICT NO. 1995-1 2014 -2015 FISCAL YEAR

DESCRIPTION OF ASSESSMENT SPREAD METHOD

INTRODUCTION

The law requires that the cost of the assessment be apportioned to the individual parcels in proportion to the estimated benefit that each parcel can be expected to receive from the work and improvements covered by the assessment.

The City Council has appointed the City Engineer as the Engineer of Work for Assessment District No. 1995-1 (herein "AD 1995-1,") to prepare an Engineer's Report on the proposed assessment that will include, in part, an analysis of the facts in AD 1995-1 and a method of apportioning the total amount of the costs and expenses of maintaining the improvements to the several subdivisions of land in AD 1995-1, in proportion to the estimated benefits to be received by each such subdivision, respectively from the Improvements.

AD 1995-1 has been formed pursuant to a property owner petition requesting the City Council to waive further proceedings under Division 4 of the Streets and Highways Code and to undertake proceedings pursuant to the Assessment Benefit Act of 1982. The petition is on file with the City Clerk. On April 17, 1995, the City Council adopted Resolution No. 95-40, determining to undertake proceedings under the 1982 Act, without further proceedings under Division 4 of the Streets and Highways Code.

ASSESSMENT DISTRICT PURPOSE

The purpose of the AD 1995-1 proceedings is to confirm an assessment for the estimated total cost of maintaining the Improvements, pursuant to the 1982 Act and the Clovis Charter and Municipal Code.

The Improvements to be maintained are described in Section I-1, "General Description of Work and Improvements to be maintained" of this Engineer's Report.

ASSESSMENT DISTRICT LOCATION AND DESCRIPTION

Assessment District No. 1995-1 is located in the Southwest Quarter of Section 32, Township 12 South, Range 21 East, Mount Diablo Base and Meridian, and is bounded by Alluvial Avenue on the North, Minnewawa Avenue on the West, Big Dry Creek on the South and open land on the East. For further description of the location, see the map entitled "Proposed Boundary of City of Clovis Assessment District No. 1995-1.

ASSESSMENT SPREAD METHOD

The 1982 Act requires that assessments must be based on the benefit that the subject properties receive from the improvements being maintained. The statute does not specify the method or a formula that should be used in any particular special assessment district proceeding. That responsibility rests with the Assessment Engineer.

The Assessment Engineer makes his recommendations as to the cost and method of apportionment of the assessments at the public hearing on the assessment district, and final authority and action with respect to the levy of the assessments rests with the City Council after hearing all testimony and evidence presented at the public hearing. Upon the conclusion of the public hearing, the City Council must take final action in determining whether or not the assessment apportionment has been made in direct proportion to the benefits received by the properties assessed.

The separate improvements to be maintained pursuant to the AD 1995-1 proceedings, together with all incidental expenses, are collectively referenced in Section I of this Engineer's Report and in this Exhibit "C" as the "Improvements". It is necessary that the Assessment Engineer identify the benefit that the Improvements will render to the properties located within the boundaries of the assessment district.

The improvements to be maintained by AD 1995-1 all relate to the vehicular access from the public streets, adjacent to the District, to the residences within the District. The items are listed in Exhibit "B" of this report. The following "Statement of Costs" explain and describe how the individual costs for the maintenance of the improvements and the related incidental costs are estimated.

The 1982 Act limits the maintenance period for costs to be assessed to not exceed 5 years from the year of assessment. In as much as some significant maintenance costs, such as application of seal costs and street surface overlay will occur in periods beyond 5 years after the formation of the District, it is determined to estimate the costs of the maintenance each year for the next following year, and for only one year. The items of maintenance and estimated costs, as shown in Exhibit "B" are therefor intended for the fifth year following the formation of AD 1995-1 only.

Each succeeding year, the Engineer for the District shall evaluate the conditions of the improvements to be maintained by the District and shall estimate the required costs of the maintenance and the City Council shall spread the assessments to provide the money to do the maintenance work.

A portion of the estimated costs may be for significant maintenance items, such as seal coats and street surface overlays, that are scheduled for 8 and 20 years respectively, from the date of the assessment.

The improvements for Tract No. 4299, consisting of 43 lots together with two adjoining parcels created by Lot Line Adjustment, have been constructed and will be immediately maintained by AD 1995-1, Benefit Area I, Parcels 1 through 45, inclusive. The improvements for Tract No. 4668 and Tract No. 4661, consisting of an additional 81 lots, have also been constructed and will be immediately maintained by AD 1995-1, Benefit Area II, Parcels 46 through 126 inclusive.

All improvements to be maintained by AD 1995-1 will be constructed to the requirements of the City of Clovis, Public Works Standard Specification and Standard Drawings.

For the purpose of spreading the assessments to the parcels within AD 1995-1, the Assessment Engineer has determined that each residential parcel will be provided equal vehicular access from the public streets, adjacent to the District, to the residential parcels.

For the spread of the assessments, the assessment engineer has determined that there are 45 residential parcels in Benefit Area I and 81 residential parcels in Benefit Area II that will be assessed for the maintenance of the improvements. Therefore, the assessment engineer has estimated the maintenance costs and incidental costs for AD 1995-1 and divided the cost in Benefit Area II by 81 to determine the assessment for each residential parcel.

Each residential parcel in Tract No. 4299, together with the two additional parcels within Benefit Area I will be assessed 1/45 of Area I. The remaining lots in Tract No. 4668 and Tract No. 4661 will be assessed 1/81 of the total maintenance and incidental costs of AD 1995-1, Benefit Area II.

It is recognized that there is a still limited, but growing history within AD 1995-1 to draw upon for estimating the costs of maintaining the improvements. In making the estimates, the assessment engineer has therefore drawn upon his experience in similar type developments, upon quotes from involved agencies such as the City of Clovis, the insurance agent, the District Administrator, etc. Each year, the District will accumulate history from which the Administrator will be able to determine more accurately the costs of maintaining the improvements in the District. During the first three years, development within the District was slower than originally anticipated. Therefore, some costs were less than previous projections, but assessments have been left unchanged. Where increases in projected expenses are justified by expansion in the number of developed lots, assessments have been increased. The reserve for contingencies is now adequate without any assessment during the 2002-2003 fiscal year, except as a rounding item to accomplish even-dollar parcel assessments. Each year, the costs of maintenance and related incidental costs will be evaluated by the assessment engineer, and, if necessary, revised amounts for the assessment amounts will be determined. The revised assessment amounts will then be considered by the City Council of the City of Clovis, and they shall revise the amounts of the assessments as they deem appropriate.

The following "STATEMENTS OF COSTS" describe and explain how the individual costs for the maintenance of the improvements are estimated.

ASSESSMENT ENGINEER'S CONCLUSION AND CERTIFICATION

The purpose of this Engineer's Report is to present an estimate of the total cost of the maintenance of the Improvements and Incidental Costs proposed to be funded pursuant to this assessment proceeding, to make an analysis of the benefits of those improvements and to spread their costs to the AD 1995-1 properties in proportion to the estimated benefits that those properties will receive from the Improvements. This Engineer's Report is not intended to make a recommendation as to the economic feasibility for the assessment of the estimated cost of the proposed maintenance of the Improvements on the benefitted properties.

In conclusion, it is my opinion that the Estimated Total Cost of the Maintenance of the Improvements, including all Incidental Costs, has been spread in direct proportion to the estimated benefits that each separate lot, piece, parcel or subdivision of lands within AD 1995-1 will receive from the Improvements.

CLERK'S CERTIFICATE

I, Diana Stice, Deputy City Clerk of the City of Clovis, State of California, do hereby certify that the foregoing is a full, true and correct copy of Res. 14-34 duly approved and adopted by the City Council of the City of Clovis on the dates therein stated and as appears on file in my office.

IN WITNESS WHEREOF, I hereunto set my hand and affix the seal of the City of Clovis on June 5, 2014.

Diana Stice, Deputy City Clerk

RESOLUTION 14 -34

A RESOLUTION OF THE COUNCIL OF THE CITY OF CLOVIS, CALIFORNIA, ACCEPTING THE ENGINEER'S REPORT AND IMPOSING ASSESSMENTS FOR FISCAL YEAR 2014-2015 ON ASSESSMENT DISTRICT 95-1 BENEFIT AREAS I & II

WHEREAS, on May 1, 1995, the City Council approved Resolution 95-42 creating Assessment District 95-1 in Tract 4299A, and

WHEREAS, an Engineer's Report, a copy of which is on file with the City Clerk, has been prepared evaluating the costs of maintenance in Assessment District 95-1 for the 2014-2015 fiscal year; and

WHEREAS, Benefit Area I consists of that area which accesses Minnewawa Avenue as shown on the attached Attachment "A"; and

WHEREAS, Benefit Area II consists of that area which accesses Alluvial Avenue as shown on the attached Attachment "A"; and

WHEREAS, the Engineer's Report sets forth the proposed 2014-2015 fiscal year assessments for each benefit area within Assessment District 95-1; and

WHEREAS, City staff has reviewed and concurs with the Engineer's Report; and

WHEREAS, notice of the proposed assessment, was provided to the record owners in Assessment District 95-1 as required by Government Code section 53753; and

WHEREAS, the Clovis City Council conducted a public hearing on April 21, 2014, in accordance with law and the notice provided to the property owners in Assessment District 95-1, and all objections or protests, if any, and all written and oral testimony submitted by interested persons, if any, to the proposed assessment having been duly considered; and

WHEREAS, an election was not required because the assessments for Assessment District 95-1 year twenty (2014-2015) will remain the same as the assessments for Assessment District 95-1 year nineteen (2013-2014).

NOW, THEREFORE, IT IS RESOLVED AND ORDERED, as follows:

1. The recitals above are true and made a substantive part of this resolution; and
2. The Engineer's Report, in the form on file with the City Clerk, is hereby accepted and approved; and
3. The current assessment of \$557.00 per lot in Benefit Area I shall remain at \$557.00 per lot and be collected with the annual property tax bill for fiscal year 2014-2015; and
4. The current assessment of \$461.00 per lot in Benefit Area II shall remain at \$461.00 per lot and collected with the annual property tax bill for fiscal year 2014-2015; and
5. City staff is hereby directed to provide the County Auditor with the assessments to be collected on behalf of Assessment District 95-1.

The foregoing resolution is hereby adopted at a regular meeting of the City Council of the City of Clovis held on April 21, 2014, by the following vote, to wit:

AYES: Mayor Ashbeck, Councilmembers Flores, Magsig, Whalen

NOES: None

ABSENT: Councilmember Armstrong

ABSTAIN: None
