Important Messages

Thank you for your timely payments You have an excellent payment record with us, and we thank you for your prompt payments.

Call 811 before you dig. A common cause of pipeline accidents is damage from digging. If you plan on doing any digging, such as planting a tree or installing a fence, please call **811** at least two working days before you dig. One free call will notify underground utilities to mark the location of underground lines, helping you to plan a safe project.

Important Messages

Thank you for your timely payments You have an excellent payment record with us, and we thank you for your prompt payments.

Call 811 before you dig. A common cause of pipeline accidents is damage from digging. If you plan on doing any digging, such as planting a tree or installing a fence, please call **811** at least two working days before you dig. One free call will notify underground utilities to mark the location of underground lines, helping you to plan a safe project.

News You Can Use

PREVENT DISCONNECT
All charges must be paid each month to keep your account current. However, "basic service" and its applicable taxes and surcharges MUST be paid to avoid disconnection. Currently, for this account that amount is $60.80. Failure to pay non-basic charges may result in other collection activities, including restriction of toll calls.

CARRIER INFORMATION
Our records show that you have selected Cust Undecided on Carrier or a company that resells their services as your primary local toll carrier and that you have chosen not to select a long distance carrier. Please contact us if this does not agree with your records.

CHARGED APR 07 2021

Local Services provided by AT&T California or AT&T Nevada based upon the service address location.

Important Messages

Thank you for your timely payments You have an excellent payment record with us, and we thank you for your prompt payments.

Call 811 before you dig. A common cause of pipeline accidents is damage from digging. If you plan on doing any digging, such as planting a tree or installing a fence, please call **811** at least two working days before you dig. One free call will notify underground utilities to mark the location of underground lines, helping you to plan a safe project.

Electrical Contracting Invoice

05-12-21

Needed to troubleshoot nonoperational landscaping lights.
Repaired low voltage wiring at several locations throughout property complex for the landscaping flower bed light fixtures.
Reconnected (1) disconnected light fixture.
Replaced (1) 50 watt LED lamp for landscaping light fixture.
Repaired lighting for west side of driveway.
Confirmed all light fixtures on east side of entrance functioned correctly.
No lighting at east exit gate.
