### HOME OCCUPATION APPLICATION

Please read and complete all sections of this Home Occupation Application and submit it, along with a completed Business Registration and Tax Certificate Application, to Finance Department Business Registration Division. This Application does not include an application for a business registration and tax certificate. If your application cannot be approved, you will receive a phone call or letter to discuss what would need to occur for the home occupation to meet City requirements.

In order for the Home Occupation Permit to be approved, you must comply with all of the standards set forth in Chapter 9.58 of the Clovis Municipal Code. The operational standards set forth in the Municipal Code are intended to maintain your neighborhood as an attractive residential development. Failure to operate within your approved Permit could constitute grounds for revocation of your Home Occupation Permit and City Business Registration and Tax Certificate.

According to the Clovis Municipal Code, a home occupation is intended to allow for home occupations that are conducted within a dwelling located in a residential zoning district and are clearly subordinate and secondary to the use of the dwelling and compatible with surrounding residential uses. Below are the types of home occupations permitted:

- Small Home Occupation (*\$145.00 due at time of submittal*)
- Large Home Occupation (*\$250.00 due at time of submittal*)
- Exempt Home Occupation (*No fee*)
