REGIONAL HOUSING NEEDS ASSESSMENT (RHNA) DEVELOPMENT REVIEW

INSTRUCTIONS TO APPLICANT

State Law requires that applications for projects under the RHNA overlay zone be filed for Planning Division review prior to construction for all multi-residential proposals utilizing the RHNA overlay development standards. The applicant must complete the necessary forms and submit all required information and exhibits before the Planning Division can accept the application for processing and consideration of the ability to serve the Project. Applications will be processed as quickly as possible. Applicants will be notified of the dates and times established for any relevant pre-submittal meetings. **Please complete the checklist below and submit with your application.**

MATERIALS REQUIRED FOR SUBMISSION OF A RHNA DEVELOPMENT REVIEW **ALL DOCUMENTS SHALL BE FILED IN ELECTRONIC PDF FORMAT**

- Completed City of Clovis Planning Division Master Application;
- Property Owner Consent form signed by the current property owner if not the same as the applicant;
- Preliminary Title Report no more than 30 days old that covers the entire property being considered;
- Project plans/diagram, as described below;
- Floor plans of all proposed buildings;
- All exterior elevations for all buildings;
- Recent photographs of existing building(s), if applicable;
- Preliminary landscape plans for all proposed and/or modified landscape areas;
- Color rendering and/or photo of materials board for building elevations;
- Filing fee as listed in the Planning Fee Schedule;
- County Assessor's Parcel Map showing the properties involved outlined in red;
- In all cases, a map/diagram of the project, similar to a site plan, must be included. The diagram (site plan) must include, but is not necessarily limited to, the following:
 - a. The scale of the drawing and north indicator
 - b. Adjacent streets and other landmarks to assist in locating the property, distance and direction from the nearest street intersection, and any other identifiable features
 - c. The location of all existing and proposed uses, structures, fences, walls, signs, landscaping, setbacks, and improvements
 - d. The location of all off-street parking and loading facilities, including driveways, individual parking and loading zones, number of stalls and dimensions, internal circulation, points of ingress and egress, median strips, and traffic islands
 - e. Show on the exterior elevations, the locations and sizes of all proposed roof-mounted equipment and materials, providing specifications proposed to screen the equipment
 - f. Any other information or data that the applicant or Planning Director deems necessary for proper consideration of the application
- Staff may require other materials as needed.

Review of the Project will be limited to compliance with applicable Federal, State and local requirements. Comments from internal and external agencies shall be limited to an ability to serve or inability to serve the Project. Conditions of Approval will be standard conditions applicable to all multiple-family projects. If all standards are met and the Applicant can demonstrate that it will be able to satisfy the standard conditions of approval, the Director will notify the Building Official and the Building Official will be authorized to issue a building permit in the ordinary course of business upon approval of construction plans.

Questions regarding this or any other planning application should be directed to Planning Division Staff at (559) 324-2340.
