2. Purpose

It is the purpose of this MOU to provide for a harmonious relationship between the City and the employees covered by this MOU, and to provide an orderly and equitable method of resolving any differences which may arise regarding wages, hours and other terms and conditions of employment. Nothing in this MOU shall preclude the City from recognizing in accordance with City policy any employee whose performance is determined by the City to be outstanding.

- If mutually agreed upon the ten day notification can be reduced to allow the new hire an earlier start date.
- Orientation time may vary depending on staffing levels and number of employees attending the orientation.

Access to new hire employee personal information:

Personal information on new hires will be distributed to the Union President within 30 days after date of hire as required by the law. The total unit wage subject to the deferred compensation matching program will be compared to the actual dollars spent by the City on the program to determine any unspent dollars available during the preceding fiscal year.

9. Health, Life, and Dental Insurance Compensation

A. The City and CEA agree that the City's Health Benefits Committee (HBC) shall be the exclusive representative body for the purposes of all mandatory meet and confer issues that are related to the City's health benefit plan (medical, dental, pharmacy, vision, and life insurance coverages) inclusively.

The HBC shall be convened by the City at least once each quarter to review the City's health benefit plan. The HBC shall include a member and an alternate from each of the represented City bargaining units. The represented members shall determine their own voting and conflict resolving procedures so that they can present (whenever possible) a single proposal for all their represented employees. Sufficient management staff will represent the City on the HBC as determined by the City. The City or HBC may also request to convene at other times to meet and confer as provided for in this agreement.

If any bargaining unit represented by the HBC is not in agreement with the position of the HBC as demonstrated by a negative vote of their respective affiliation membership, such bargaining unit and their designated representative(s) will meet and confer with the City to impasse prior to the implementation of any meet and confer proposals made in accordance with this agreement. The City's health benefit plan structure shall be determined through the meet and confer process between the HBC

and the City. The City's health benefit plan structure is defined as the type and level of benefits.

The benefits provided under this section shall be at the minimum type and level of benefits that is no less than the minimum benefit offered by any of the program providers as listed on the 1995 Health Program Benefits Sheet distributed on February 1, 1995, provided that the benefit is competitively available in the local market. The City will select the health benefit plan vendors and set the health benefit plan rates. The City will meet and confer with the HBC regarding the impacts of vendor selection, rates, rate structure, and other plan change impacts.

The employee contribution rate will remain at 10% of the total cost of the lowest cost plan as determined by the City for the various employee, employee/family, and other tier groups as proposed. Increases or decreases in the year to year premium will be shared in the same 10% employee, 90% employer ratio for the term of this MOU unless otherwise changed through the meet and confer process with the HBC.

In the event that an employee who has opted-out of the City's health coverage subsequently loses their alternate medical coverage due to a life changing event as defined by the Consolidated Omnibus Budget Reconciliation Act (COBRA), the employee may re-enroll in the City's health coverage program. It shall be the responsibility of the employee to notify the City's Personnel Division of such a life changing event within 30 days of the event.

Any Changes in ACA regulations that affect cash-in-lieu benefits will require a reopener on the cash-in-lieu benefit.

C. Supplemental Life Insurance

Throughout the term of this agreement, the City shall make available to employees in this unit supplemental life insurance coverage. It is understood and agreed that the premiums for such coverage shall be paid for exclusively by the employees who elect the supplemental life insurance coverage. The members of CEA agree to pay for State Disability Insurance premiums for a minimum of two calendar years in accordance with the State Unemployment Insurance Code Rules and Regulations. An employee shall be entitled to up to forty (40) work hours with pay in any one (1) calendar year if travel is required outside of California. However, the necessity for the employee's presence may, in the discretion of the City Manager or the City Manager's authorized agent, be required to be verified by a doctor's certificate.

For the purposes of this Section, "immediate family" shall include the husband, wife, mother/step, father/step, mother-in-law, father-in-law, brother/step, sister/step, child/step, grandparent, grandchildren, brother/sister-in-laws, son/daughter-in-laws, or legal dependent of the employee, and registered domestic partner as defined by the State of California.

B. Family Illness Leave Act - The City and CEA agree to comply with the legal requirements of "The Family and Medical Leave Act of 1993" (FMLA), as amended and "The California Family Rights Act of 1991" (CFRA), as amended (collectively referred to as the "ACTS") and detailed in the City of Clovis Administrative Memo 94-2, as amended.

C. All unit members have been properly noticed concerning their rights and the City's policy regarding their entitlements under the ACTS by provision of a copy of Administrative Memo 94-2 as amended and that all time off for reasons covered under

the ACTS (including workers' compensation absences) is designated FMLA/CFRA leave and counts towards their entitlement under both ACTS.

D. Employees who take leave under the ACTS on an Intermittent or Reduced Leave Schedule when their available paid leave balances have been exhausted will receive their negotiated benefits on a proportionate basis, based on the average number of hours they worked in a pay period compared to the number of hours not worked. For example, an employee who works 40 hours in an 80 hour pay period, will receive 50% accrual of sick leave and vacation time, and will be paid for one-half of a day for any holidays during that pay period.

13. Vacation

Employees in this unit shall earn vacation credit on the following basis:

15 through end of year 19	6.667 hours posted each pay period to a maximum of 360 hours
20 Years or more	8 hours posted on each pay period to a maximum of 360 hours

The time at which the employee shall be granted a vacation is at the discretion of the Department Head. Employee seniority, as defined in Section 24, shall govern selection of vacation time unless the needs of the City require a deviation from this procedure.

14. Overtime

Overtime must be authorized by a supervisor and will be paid at the rate of one and one-half times the normal rate of pay for all hours actually worked in excess of eight (8) hours in a day. Employees who work an alternate work schedule, (i.e., "4-10" or "9-80") shall earn overtime for hours actually worked in excess of their normal schedule.

15. Specialty Pay

A. Employees in this Unit shall receive a salary increase equivalent to "A" step of the position being filled or a 5% salary increase, whichever is greater, above their regular salary when they are assigned by their supervisor to perform the majority of the duties of a supervisory position for at least forty (40) working hours within a seven (7) day period. All out-of-class work assignments, including the length of the assignment, shall be in accordance with CalPERS rules and regulations.

B. Employee(s) who maintain a Notary Public certification that is determined to be of a benefit to the City shall receive a monthly premium of \$100.00.

C. CEA members who possess non-English language skills that have been identified by the Department Head as beneficial to the Department shall receive a maximum of one hundred dollars (\$100.00) per month in addition to the employee's base salary. The city shall determine if employees qualify for the bilingual pay and the standards of proficiency that an employee must possess in order to receive bilingual pay.

D. Cell Phone Stipend – Employees who are required by management to use a City issued cell phone, outside of shared and pooled phones, will have the option to receive a \$25.00 monthly stipend in lieu of using the City issued cell phone. To participate in this program the employee must provide their cell phone number to the Department. This method of notification replaces the method of the City providing a cell phone. Employee cell phones must be able to function locally and have text messaging service and the ability to send or receive pictures in addition to phone service. The stipend is provided in recognition of the City using this method to notify employees of overtime, emergency recall, social media, and to contact the employee during the course of work.

16. Compensatory Time-Off

The City may allow compensatory time off (CTO) in lieu of overtime. The City shall have the choice in the manner of compensation, i.e., cash or CTO. The number of CTO hours an employee may accumulate shall be at the discretion of the employee's Department Head.

Employees shall be allowed to cash-out up to 80 hours of their accumulated CTO during the first pay check after November 16. Employees wishing to cash-out CTO must notify the Finance Department in writing by November 15 of their desire to cash-out CTO and how many hours they wish to cash-out.

17. Bereavement Leave

An employee shall be entitled to forty (40) excused hours with pay on an annual basis to attend the funeral of any member of the employee's immediate family. For the purpose of this Section, the term "immediate family" shall include the husband, wife, father/step, mother/step, brother/step, sister/step, child/step, grandchild/step, mother-in-law, father-in-law, grandparents, brother/sister-in-laws, son/daughter-in-laws, or legal dependents of such employee, and registered domestic partner as defined by the State of California. The City will take all reasonable steps to accommodate an employee's work schedule so the employee may attend the funeral of an immediate family member.

18. Leave of Absence Without Pay

A. The City Manager may grant a permanent or probationary employee a leave of absence without pay or accrual of seniority for a period not to exceed three (3)

months. Leaves of absence without pay may be extended at three (3) month intervals (up to a maximum of nine (9) months) upon the mutual agreement of the City and the employee involved. No such leave shall be granted except upon written request of the employee setting forth the reason for the request, and the approval will be in writing. Upon expiration of the regularly approved leave, or within a reasonable period of time after notice to return to duty, the employee may be reinstated in the position held at the time leave was granted. Failure on the part of the employee on leave to report promptly at its expiration, or within a reasonable time after notice to return to duty shall be cause for discharge, in the discretion of the City Manager.

B. The Department Head may grant a permanent or probationary employee a leave of absence without pay for a period not to exceed one (1) calendar week. Such leave shall be reported to the City Manager or the City Manager's authorized representative.

19. Minimum Callback Pay

An employee in this unit who is called back to work outside of the employee's regularly scheduled shift shall be paid a minimum of three (3) hours at the employee's overtime rate. The employee shall have the option of choosing overtime pay or CTO as compensation for callback duty.

20. Mileage

The City shall pay the current City standard mileage reimbursement rate, as determined by the Internal Revenue Services, for use of an employee's vehicle for authorized City business. Such use shall be in conformance with City practices and policies.

21. Jury Duty

The provisions of the City's Personnel Rules and Regulations, which pertain to Jury Duty, shall be applicable to employees covered by this MOU. While serving on jury duty, employees will continue to be paid by the City on the basis of a forty (40) hour work week, at their normal rate of pay, on condition that any compensation (in excess of mileage expenses) received by the employee from the court be turned over to the City.

22. Service Recognition

Service awards are given to employees when they reach 5-year increment milestones of employment with the City of Clovis. (e.g., 5 years, 10, years, 15 years, etc.) The City shall allow employees in this unit the option to either accept the service award gift or collect the cash value of the gift. Employees will be notified when they are eligible for

a service award, the cash value of the award, and will be provided a form to opt for either the gift or the cash equivalent.

Cash in lieu of a service award gift will be on an employee's regular check and is subject to regular payroll taxes.

23. Grievance Procedure

The City and CEA agree that all parties shall utilize the existing appeals mechanism provided for within the City's Personnel Rules and Regulations for all cases regarding discharge or suspension, unless and until appropriately modified at the initiation of the City.

Policy Statement

CEA employees herein are encouraged to solve difficulties and problems within their department. In the event that a difficulty or grievance cannot be settled within the department, the employee is encouraged to bring the matter to the attention of the Personnel Officer.

Purpose

The purpose of this grievance procedure is to secure, at the lowest possible administrative or supervisory level, proper and equitable solutions to grievances, and to guarantee orderly succession of procedures within which solutions may be pursued. It shall be incumbent upon all City employees to follow these procedures to settle their grievances.

Definition of Terms: As used in this Section, the following words shall have the designated meanings:

1. Grievance: A grievance is a good faith complaint of one or a group of employees or a dispute involving the interpretation, application, or enforcement of the express terms of this MOU and all other terms and working conditions of employment.

2. Conferee: A conferee is an individual who, at the request of the employee, is invited to participate in a grievance conference.

3. Aggrieved Party: Aggrieved party is the employee or group of employees or City making the claim.

4. Days: The term "days" shall, except when otherwise indicated, mean calendar days when the City offices are open.

Implementation Procedures: Any grievance of a disciplinary matter may be brought before the Personnel Commission according to the manner and procedures

specified in the City's Personnel Rules and Regulations and shall proceed according to the below-described manner and procedure:

a. Level One - Oral Discussion With Immediate Supervisor: An aggrieved party shall orally present his grievance to the employee's immediate supervisor within fifteen (15) days of the occurrence of the event being grieved, or within fifteen (15) days after the employee becomes aware of the event being grieved. The aggrieved party and the immediate supervisor should make every effort to resolve the difficulty in this manner.

b. Level Two - Personal Conference Upon Written Claim With Immediate Supervisor: An aggrieved party may then submit their claim in writing to their supervisor. The written claim must be submitted to the immediate supervisor no more than fifteen (15) days past the date of the Level One discussion. This fifteen (15) day time period does not begin to run against an employee who is off duty on an approved absence, until that employee returns to duty. The parties should make every effort to resolve the difficulty in this manner. The conciliatory efforts of conferees may be utilized at this stage as a substitute for or in conjunction with the aggrieved party. The aggrieved party's written claim should state their position clearly, and the background and reasons and the following items must be included:

- (1) A statement of the steps initiated by the aggrieved party to resolve the problem by informal means.
- (2) A description of the general and specific grounds for the grievance.
- (3) A listing of the specific actions and events alleged to be in violation (including witnesses).
- (4) A statement of the reasons why the specific actions identified above are in violation of this Section.
- (5) A listing of the specific actions which the aggrieved employee believes would best remedy their grievance.

Upon receiving the written claim, the immediate supervisor shall schedule a personal conference with the aggrieved party to resolve the grievance. If the aggrieved party is not satisfied with the results of this personal conference with the aggrieved party's immediate supervisor, which must be announced within fifteen (15) days, they must then file a written complaint with his department head within fifteen (15) days of receiving the notice from their immediate supervisor.

c. Level Three - Personal Conference With Department Head: An aggrieved party may appeal the Level Two decision to their department head by filing a written complaint. Said complaint shall contain the same information as described above for the Level Two claim. It shall not be necessary to rewrite the above information. Upon receipt of the complaint, the department head shall schedule a personal conference

with the aggrieved. At this conference, the attending aggrieved party and department head should make every effort to resolve the matter. If the aggrieved party is not satisfied with the results of this personal conference with this department head, which results must be announced within fifteen (15) days of the conference, the employee must then file a written appeal as provided for in Level Four.

d. Level Four – Assistant City Manager/Board of Review: The aggrieved party may appeal the decision within ten (10) days after the decision has been provided at Level Three by filing a request for a hearing. Requests for hearing and final decision before the Assistant City Manager or the Board of Review shall be made with the Personnel/Risk Manager as hereinafter described.

- (1) The request shall be in writing and shall include the same information as described in the previous claim in Level Two. This shall be in the form of a separate written request, and said request shall be accompanied by a copy of the written claim filed at Level Two and Level Three.
- (2) The Board of Review or Assistant City Manager shall have available to it all documents relating to the complaint and any City records that would be helpful in resolving the problem.
- (3) After studying the documentary evidence, the Board of Review shall conduct such hearings as it deemed necessary. At least two (2) days' notice of any scheduled hearing should be given.
- (4) Within a reasonable time after the conclusion of the hearing, the Board of Review or the Assistant City Manager shall submit the written findings of facts and written decision to both the City and the Aggrieved Party.
- (5) The Board of review shall be made up of three members, one selected by the Aggrieved Party, one selected by the City and the third selected by the first two from among those individuals currently serving on the City's Personnel Commission.

Level Five - City Manager's Decision: After receipt of the advisory findings of fact and advisory decision from the Level Four Board of Review, the City Manager shall investigate and confer with the parties involved. The Aggrieved Party, at the aggrieved party's discretion, may bring in their conferee. The City Manager shall thereafter communicate a final and conclusive decision in writing together with supporting reasons, to the Aggrieved Party, within twenty (20) days of concluding the investigation of the matter.

General Provisions: To facilitate this procedure, the following provisions shall apply:

- (1) Any party to a grievance may, at any point in the process outlined, have a conferee.

- (2) Any employee may serve as a conferee without fear of prejudice or reprisal of any kind being taken against such employee.
- (3) Grievance adjustment should be more concerned with "what is right" and less concerned with "who is right". Effective adjustment of grievances requires that all parties involved conduct themselves with decorum and restraint, and that commonly accepted principles of ethical conduct be observed at all times.
- (4) All proceedings, at any level, shall be kept private and confidential, and any disposition of the case will not be made public without the prior joint and mutual agreement of the aggrieved party and the City Manager. An aggrieved party who makes any proceeding or disposition public without said prior joint and mutual agreement shall be held to have thereby waived his grievance. This shall not apply when the Aggrieved Party requests an opportunity to address the Council. Decisions that have City-wide implications shall be communicated to all certified personnel in an objective and impersonal manner.
- (5) The City shall keep a written record of all proceedings beginning with Level One. The parties involved shall initial and date the records at each Level, indicating their knowledge of the contents, before the grievance shall proceed to the next Level. Such signing shall not necessary indicate agreement to the factual content.
- (6) Any costs of operating the grievance procedure shall be borne jointly by the City and the Aggrieved Party.
- (7) By mutual written agreement, the time limit at any Level may be extended.
- (8) The conferee shall conduct all applicable duties, whenever possible, during "non-working" hours. The conferee shall only be allowed to conduct said duties during working hours if (1) there is no interference with any other employee's job performance and (2) the conferee received no overtime compensation by the City for time so spent.

24. Lay-Off

A. The provisions of this article shall apply when the City institutes lay-off of bargaining unit employees pursuant to the City's Personnel Rules and Regulations.

B. Statement of Intent: In the event the City should anticipate a lay-off of employees covered by this MOU, the City will notify CEA of its intention to make lay-offs. Within ten (10) days of this notice, either party may agree to reopen this MOU to meet and confer on the topic of cost savings in an effort to avoid a lay-off. Nothing in this section relinquishes the City's right to lay-off employees in the unit if the MOU is reopened and the parties fail to reach a mutually acceptable agreement to avoid a lay-off.

C. Notification: Employees to be laid-off shall be given at least thirty (30) calendar day's prior notice. Prior to lay-off, the City shall issue a statement to the affected employee concerning the performance of the employee. If the performance of the affected employee has been certified as "satisfactory" or better, based on the employee's last two performance evaluations, the name of the laid-off employee shall be placed on the appropriate reemployment list. If the performance of the laid-off employee is certified as not being "satisfactory" or better, the affected employee's name shall not be placed on a reemployment list.

D. Order of Layoff: Employees shall be laid-off in the inverse order of their seniority with the City, within the classifications subject to lay-off(s). The City Manager shall determine in which classifications the lay-off(s) shall occur, based on the needs of the City. Seniority shall be determined based upon date of hire to a permanent, full-time position with the City. Within each classification, employees shall be laid-off in the following order:

1. Temporary Employees
2. Contractual Employees
3. Permanent Part-Time Employees
4. Probationary Employees
5. Permanent Employees

E. In cases where there are two or more employees in the classification from which the lay-off is to be made who have the same seniority date, such employees shall be laid-off on the basis of the last evaluation rating in the classification, provided that such rating has been on file at least thirty (30) days and no more than twenty-four (24) months prior to lay-off. In such cases, the employee(s) with the lower evaluation rating will be laid-off first.

F. Bumping: An employee designated to be laid-off may bump into the next lower classification within their classification series, provided that they have seniority over the person being bumped. An employee who is bumped shall be laid-off in the same manner as an employee whose position is abolished.

G. Reemployment List: Employees who are laid-off and who have been certified by the City as providing "satisfactory" performance or better, shall have their names placed on a reemployment list. Vacant positions in the bargaining unit shall be offered to qualified employees on the reemployment list by order of seniority, with the most senior-qualified employee recalled first. Seniority shall be determined by the length of time an employee worked for the City in a permanent, full-time position.

Names shall be maintained on the reemployment list for a period of two (2) years. Persons who decline a reemployment offer to any permanent position for which they are qualified shall be stricken from the reemployment list.

A laid-off employee who is reemployed to a position in which the employee had regular status shall not be required to serve a new probationary period but shall be required to

meet minimum standards for the position. A laid-off employee who is reemployed to a position in which the employee did not have regular status shall be required to serve a new probationary period and meet the minimum standards of the position. Employees who do not pass the requisite probation in another class will be returned to the reemployment list for the class from which they were laid-off. They will be returned to the same position on the reemployment list they occupied at the time of lay-off.

Employees who are reemployed shall have their sick leave balances restored to the amount prior to lay-off, accrue vacation leave at the same rate as prior to lay-off, and be placed at the same salary step if reemployed to the same classification from which the employee was laid-off. Upon recall, the City will allow the recalled employee a reasonable period of time in which to reinstate certifications that may have lapsed during the employee's lay-off period.

H. Non-Discrimination: The City agrees that lay-offs shall be accomplished without regard to an otherwise-qualified employee's race, color, national origin, religion, sex, or physical disability and any other protected classes as defined by law.

25. Fitness for Duty Examinations

A. In the event the Department Head has reason to believe that an employee is not physically and/or mentally capable of performing the full duties of the employee's position, or that the employee's condition represents a danger to self, other employees or the public, the Department Head may immediately place that employee on sick leave, or other accrued leave, or personal leave without pay if accrued leave is exhausted, or if already on sick leave, require the employee to remain off work until cleared for full duty by the City physician or another physician designated by the City.

B. If the employee so requests, the Department Head shall, prior to implementing a decision, present the reasons for taking such action to the employee and, if the employee desires, a representative of the employee's choice.

26. Uniforms

The City shall provide uniforms to all employees who are required to wear uniforms. The City shall determine the uniform design and composition. Employees will be provided with a minimum of four (4) uniforms annually. Additional uniforms may be provided if necessary, due to wear / tear, as determined by the employee's supervisor. Employees are responsible for maintaining their uniforms in a reasonable manner, ensuring a clean and professional appearance. Uniforms are property of the City and must be returned upon separation from the City.

27. Military Leave

Military leave shall be granted in accordance with the provisions of federal and state law. All employees entitled to military leave shall give the City Manager and/or the City Manager's authorized agent an opportunity, within the limits of military regulations, to determine when such leave shall be taken.

Employees shall be paid their regular salary for the first 30 days of active duty within a fiscal year. Starting on the 31st day of active duty, employees will receive the difference between their military base pay and their City of Clovis pay. Military orders and wage statements will be required. See the Leave Guide for more details.

28. Professional Development

The City shall reimburse employees in the Unit for the cost of tuition, required fees (such as a health fee), required textbooks or e-books, for job-related courses leading to a college degree. To be eligible for reimbursement, the course must be related to job duties or related to a position to which an employee might reasonably aspire.

The maximum reimbursement rate will be calculated September 1 of each year as the total of eight (8) semesters full-time undergraduate tuition, including required fees, at California State University Fresno. A total of \$2,000 for required textbooks or e-books will be added to the tuition fees noted above for a grand total maximum reimbursement. Expenses for courses which began prior to July 1, 2019 will not be included in the maximum lifetime allocation.

Reimbursement under this Section shall be made under the following conditions:

- A. Employees must have completed their initial probationary period with the City.
- B. By February 28 of each year, employees must submit a written request to participate in the Educational Incentive Program including an estimate of costs to be incurred during the following fiscal year.
- C. Course work must be for an accredited college or university degree program, and have the prior approval of the Department Head. Accreditation shall be through the U.S. Department of Education unless otherwise approved by the Department Head.
- D. An employee will be eligible for reimbursement of approved expenses for either an Associates, Bachelor's or Master's degree. Fees for any combination of these degrees may be reimbursed as long as they do not exceed the employee's maximum allocation for the Educational Incentive Program.
- E. Course work must be work-related and determined by the Department Head to be of benefit to the City. Required course work as part of an approved undergraduate or master's degree program is eligible for reimbursement.

- F. Reimbursement of approved course work and related expenses shall be contingent upon the attainment of a letter grade of "C" or better, or "Pass" in a course with Pass/Fail grading. Reimbursement shall be made after the employee submits expense receipts and proof of letter grade.
- G. Fees not required for enrollment such as parking, graduation related expenses, or travel will not be reimbursed.
- H. All courses for which reimbursement is sought shall be taken while off duty and not in paid status.

29. Time Bank

During the time of this agreement, employee donations to the CEA Time Bank will be suspended. Any remaining hours in the time bank may be utilized by CEA elected officers and committee members to attend to CEA business and educational activities. The City Finance Department will maintain records of all hours donated annually to the Time Bank. Upon request, the City Finance Department will provide CEA with quarterly information regarding the available balance in the Time Bank and hours utilized.

The CEA President shall authorize the use of Time Bank hours for the elected officers and committee members of CEA. Hours utilized under this section shall be in minimum amounts of two (2) hour increments. For scheduled trainings, schools, etc., that occur off City property or out of town, the CEA President shall provide the appropriate Department Head or designee with a minimum of fourteen (14) days' notice prior to requesting the use of Time Bank hours.

For CEA business meetings, consultations, and trainings that occur on City premises, the CEA President shall obtain reasonable advanced approval from the appropriate Department Head or designee for use of Time Bank hours. The use of Time Bank hours that impacts assigned schedules shall be subject to the approval of the affected Department Head(s).

CEA agrees to indemnify and hold harmless the City of Clovis, its officers, agents and employees from any claims or liability arising from the use of the Time Bank, including any legal or other actions taken to protest the application of this provision. It is agreed that CEA personnel utilizing Time Bank hours shall be representing CEA and not the City of Clovis during the time that Time Bank hours are being utilized. It is further understood that the use of Time Bank hours shall not constitute "time worked" for the purposes of computing overtime or any other payroll or employee benefit, including workers' compensation benefits.

30. Workweek

A. The workweek for all unit members shall be 168 consecutive regularly recurring hours.

B. For employees assigned to a "5 / 8" or "4 / 10" work schedule, the workweek shall begin at 0700 hours on Sunday and end at 0700 hours on the following Sunday.

C. For employees assigned to a "9 / 80" work schedule, each employee's designated FLSA workweek (i.e., 168 regularly recurring hours) shall begin exactly four (4) hours after the start time of the employee's eight (8) hour shift on the weekday that corresponds with the employee's regular alternating day off.

31. Flexible Work Schedules

Unit members in Recreation classifications assigned to work on weekends may have their day(s) off scheduled during Monday – Friday.

The City will analyze and respond within ninety (90) days to written proposals from CEA regarding alternative employee work schedules. Such proposals shall be designed with the primary concerns of saving operating costs and enhancing City service levels.

32. Maintenance of Operations

CEA agrees that for the term of this MOU neither CEA nor any person acting on its behalf will cause, authorize, engage in, sanction, nor will any of the members of the bargaining unit take part in a strike against the City, a work stoppage, slow-down, picketing or the concerted failure to report for duty, or unauthorized absence or abstinence from the full and faithful performance of their duties of employment, including the compliance with the request of other labor organizations or bargaining units to engage in such activities.

33. Conclusively

It is understood and agreed to that all documents including but not limited to written ordinances, resolutions, policies and procedures, employee rules and merit system rules and regulations which relate to wages, hours, and other terms and conditions of employment which are presently in effect are made part of this MOU by reference. Those items set forth specifically in this MOU may be altered, changed, added to, deleted from or modified only through the voluntary, mutual consent of CEA and the City in a written and signed amendment to this Agreement.

CEA and the City agree that during the negotiations which resulted in this MOU, each party had an unlimited right and opportunity to make demands and proposals with respect to any subject or matter within the scope of representation. Therefore, during the term of this Agreement, neither the City or CEA shall be obligated to meet and confer on any matter:

1. Whether or not specifically referred to in this MOU;
2. Whether or not the matter was within the knowledge or contemplation of either party at the time of negotiations;
3. Whether or not the matters were proposed and later withdrawn during negotiations.

Except That: The City may change a written policy affecting wages, hours, and other terms and conditions of employment, which are incorporated by reference in this MOU. The City shall notify CEA in writing of its intention to do so. If CEA does not respond within ten (10) calendar days from the date of mailing of such notification, the City shall assume CEA does not wish to meet and consult on the change in policy. In an emergency, the City retains the right to take such action immediately. CEA will be offered the opportunity to meet and consult as soon as practicable.

34. Past Practices

Nothing contained in this MOU shall be interpreted as to imply or permit the invocation of past practice, or tradition, or accumulation vesting of any employee rights or privileges other than those expressly stated herein.

35. Designation of Confidential Employees

A. In order to implement the provisions of State law on the designation of confidential employees, the following rule shall be incorporated into the City's Personnel Rules and Regulations:

In accordance with State law, the City Manager may designate as "confidential" those employees who are required to develop or present management positions with respect to employer-employee relations or whose duties normally require access to confidential information contributing significantly to the development of management positions. Such designation shall be at the discretion of the City Manager after consultation with the affected recognized employee organization, if any.

B. The City shall, as changes occur, provide to CEA a written list of unit positions designated as confidential.

Those unit positions designated as confidential will continue to be represented by this bargaining unit and may be members in and hold office in the bargaining unit. However, pursuant to law, such designated positions may not represent the bargaining unit, which represents other employees of the City, on matters within the scope of representation.

36. Release Time

Authorized CEA representatives shall receive reasonable release time for the purposes of collective bargaining, the processing of grievances, joint problem-solving meetings between the City and CEA, and disciplinary representation. As soon as practicable prior to the release from duties, the designated representatives shall submit a written request for release to their supervisor(s).

37. Sole Agreement

The policies collected in this MOU constitute the entirety of the policies which are subject to the meet and confer obligation as agreed to by the parties. To the extent that any other agreement should be in conflict with these policies', these policies shall prevail.

If, during its term, the parties hereto should mutually agree to modify, amend, or alter the provisions of this MOU in any respect any such change shall be effective only if and when reduced to writing and executed by the authorized representatives of the City and the Affiliation. Any such changes validly made shall become a part of this MOU and subject to its terms.

The waiver of any breach or condition of this MOU by either party shall not constitute a precedent in the future enforcement of all terms and conditions herein.

In the event that any of the policies contained in this MOU should be declared by a court of competent jurisdiction to be unenforceable or illegal that policy or set of policies shall be declared void. However, this action shall in no way invalidate the remaining policies contained in this MOU.

38. Term of Memorandum of Understanding

This MOU shall remain in effect for the period of July 1, 2022 through June 30, 2025. The provisions of this MOU shall not, however, take effect until ratified by both the City Council of the City of Clovis and the general membership of the bargaining unit. The City and CEA acknowledge that all provisions of this agreement, together with those other matters within the scope of representation, are subject to renegotiating upon the expiration of this agreement to the extent provided by law.

CEA membership has ratified the contents of this MOU, by their affirmative vote, on or about June 20, 2022.

Employer Match Contribution Submission to the City's 401(a) Defined Contribution Plan

In an effort to increase the amount that members can personally defer annually into the City's 457(b) Deferred Compensation Plan, the City and CEA have met and conferred and agreed on the following change to Article 8.E. of the CEA MOU, effective February 1, 2024:

Unit members who have completed their initial probationary period may elect to participate in a deferred compensation program that includes a City matching contribution. The maximum match percentage indicated below is based on the employee's base salary and calculated per pay period. Effective February 1, 2024, the matching contribution funded by the City will be placed into a 401(a) account. The City's matching contribution will be calculated per pay period and based on pre-tax 457(b) employee contributions, post-tax Roth 457(b) contributions, or a combination of both.

However, unit employees may participate in the deferred compensation program without the City matching contribution at any time during employment. The deferred compensation program is subject to I.R.S Section 457 program rules. A unit member's enrollment in the program shall become effective the pay period following the member's submittal of an enrollment request. The provisions for the deferred compensation program are as follows:

City's Matching Contribution/Payment	Maximum City Payment Calculated per pay period
(City/Employee) 1:1	3%

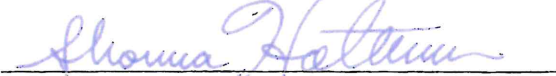

If the maximum dollars available to the members of this unit for the contributory deferred compensation program are not utilized in any fiscal year, the remaining dollars shall be applied to health insurance rates for this unit only. The total unit wage subject to the deferred compensation matching program will be compared to the actual dollars spent by the City on the program to determine any unspent dollars available during the preceding fiscal year.
