## **CR-05 - Goals and Outcomes**

**Progress the jurisdiction has made in carrying out its strategic plan and its action plan.**

### **91.520(a)**

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The City of Clovis continues to make significant progress in carrying out the Consolidated Plan, Strategic Plan and Action Plan. During the reporting year of 2023-2024 (the third year with the 5-year Consolidated Planning period) the City's accomplishments include the following:

- Home Rehabilitation Grant Program: This program includes rehabilitation work completed during the program year to preserve Clovis' affordable housing stock for low-income, owner-occupied households. Rehabilitation was completed for 15 households.
- Economic Development - MicroEnterprise - Community Kitchen: CDBG funds are utilized to assist low-income persons to participate with the Clovis Culinary Center to establish professional culinary businesses as entrepreneurs. The Clovis Culinary Center provides a fully equipped commercial kitchen space, hands on technical assistance, training and support for the participants. CDBG funds assisted 8 low-income entrepreneurs successfully manage their food based business.
- Capital Improvement Projects: During the program year the City utilized CDBG funds to complete the Dennis Beverly Alley Phase 1 and Phase 2 alley projects. The project funded re-paving of 6 alleys, totaling approximately 63,900 square feet. Improvements included asphalt pavement, new concrete valley gutters and concrete drive approaches.

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

**Assess how the jurisdiction’s use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.**

All activities implemented during this program year were identified through the City’s Citizen Participation Planning process when creating the Consolidated Plan and Annual Action Plan. All activities completed during this program year were determined to meet a high priority identified in the Consolidated Plan, including: Increase, Improve and Preserve Affordable Housing for Families/Seniors/Veterans, Job Creation and Retention, and Improving Public Facilities.

**CR-10 - Racial and Ethnic composition of families assisted**

**Describe the families assisted (including the racial and ethnic status of families assisted). 91.520(a)**

American Indian or American Native	2
Native Hawaiian or Other Pacific Islander	10
<b>Total</b>	<b>1,127</b>
Hispanic	219
Not Hispanic	966

**Table 2 – Table of assistance to racial and ethnic populations by source of funds**

**Narrative**

Racial and ethnic status was tracked for all activities, and is reflected on the chart above. Not included above is the race referred to as "other", or "two-or-more races", which included 68 additional assisted individuals. Individual demographic information is derived from applicant information available in their activity file. For area-benefit activities, racial and ethnic demographics were taken from the LMI census tracts/block groups in which activities were completed. The Activities included above are: Owner Occupied Housing Rehabilitation, Micro-Enterprise Culinary Kitchen, CDBG-CV Utility Payments and the 20092 Dennis/Beverly/Mitchell Alleys Improvements.

**CR-15 - Resources and Investments 91.520(a)**

**Identify the resources made available**

Source of Funds	Source	Resources Made Available	Amount Expended During Program Year
CDBG	public - federal	1,534,916	774,239

**Table 3 - Resources Made Available**

**Narrative**

The amounts reported in Resources Made Available and Amount Expended During Program Year includes amounts from both the CDBG FY 2023-2024 entitlement allocation and project savings from prior year's projects.

**Identify the geographic distribution and location of investments**

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description
City of Clovis Low-Moderate Census Tracts	100	100	Low Mod Census Tracts

**Table 4 – Identify the geographic distribution and location of investments**

**Narrative**

The Consolidated Plan does not identify any targeted areas for investment. Instead, Clovis spreads resources throughout the City, which resulted in a 100% LMI benefit.

## **Leveraging**

**Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.**

There is no matching requirement for the CDBG Program. However, the City of Clovis pairs CDBG housing program funds with non-CDBG funds for affordable housing projects.

The City administers its Housing Rehabilitation CDBG Grant funded program in conjunction with the State of California funded CalHome Loan Housing Repair Program. Of the 15 CDBG assisted households, 7 also received a CalHome Loan to provide repairs in their homes. In addition to these homeowners, the City completed four (4) additional Cal-Home loan-only projects during the program year. A total of 19 homeowner rehabilitation projects were completed during the program year.

During the program year, the City also entered into a development agreement in the amount of \$1,481,281 with a local affordable housing developer partnership, AHDC and Better Opportunities Builder, for the development of a 47 unit affordable housing project for low-income seniors. The project is named 135 Osmun Senior Apartments. In 2024, the developer purchased the property for the development, and prepared funding applications for development financing. It is anticipated that the developer will apply for development financing during the 2024-2025 program year, and 2025-2026 program year if needed. The project will be reserved for seniors at or below 60% of AMI.

**CR-20 - Affordable Housing 91.520(b)**

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

	One-Year Goal	Actual

Number of households supported through Acquisition of Existing Units	0	0
<b>Total</b>	<b>20</b>	<b>15</b>

**Table 6 – Number of Households Supported**

**Discuss the difference between goals and outcomes and problems encountered in meeting these goals.**

The City of Clovis increased its housing staff during the program year. The additional staff was instrumental in ensuring additional housing rehabilitation grant projects were completed during the reporting year.

**Discuss how these outcomes will impact future annual action plans.**

The demand for the home repair program remains high. The City continually sees interest in the program throughout the program year. The City expects to continually get closer to fulfilling goals in future years, now that the program has additional staff. Additionally, the City works with two local non-profit consultants to assist in the implementation of the rehabilitation programs. Self-Help Enterprises

and Habitat for Humanity will continue to provide inspection and construction management services which will enable City staff to meet or exceed the rehabilitation goals.

**Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.**

### **Narrative Information**

The information in the table above identifies demographics for the City's Housing Rehabilitation Program only.

## **CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)**

**Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:**

### **Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs**

The City of Clovis does not operate a dedicated homeless shelter nor provides direct services. However, the City is an active supporter and participant in the MAP Point at the Poverello House (a local intake service provider and homeless shelter in Fresno, California) as a part of the Fresno Madera Continuum of Care (FMCOCC). Those needing services within Clovis are provided an opportunity to utilize the MAP services. The MAP Point (Multi-Agency Access Program) is an integrated intake process that connects individuals facing homelessness, and connects them with housing and services. MAP connects homeless persons facing challenges with services related to behavioral health, substance abuse, physical health and/or mental health and social services.

### **Addressing the emergency shelter and transitional housing needs of homeless persons**

The City of Clovis does not receive funding for emergency shelter and transitional housing services. However, Clovis is an active member of the Fresno Madera Continuum of Care (FMCoC), which is the organization that acts as the regional planning body to address homelessness in the region. City staff also participates, annually, in the Point-in-Time count to identify the number and location of homeless persons to better provide them services, and also participates in the ranking committee for the FMCoC's application to HUD for Homeless Housing Funds. Additionally, the Marjaree Mason Center, for domestic violence victims, operates a shelter in the City, and is a valued partner in our community.

During the Program Year, City of Clovis staff provided support services to Butterfly Gardens permanent supportive housing, which is a 75-unit development for very low-income persons experiencing homelessness and persons with disabilities. Previously, the City provided the developer a \$300,000 grant for the development of the project.

### **Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs**

Clovis residents have access to many facilities within Fresno County, including assisted and independent residential facilities for both the general adult population and the elderly. There are 213 residential

elderly care facilities in the County of Fresno, with capacity for over 5,000 persons. There are 161 Adult residential facilities, with capacity for over 900 persons.

More importantly, the City continues to support Butterfly Gardens, a 75-unit permanent supportive housing development. The project receives referrals through the Multi-Agency Access Point for the County, as well as through the County's Behavioral Health Department, which assist persons who are at risk of becoming homeless, and particularly those likely to become homeless after being discharged from institutions. Tenants receive wrap-around services to assist them in continuing their housing journey, and stabilizing their lives.

Finally, the City of Clovis was awarded CDBG-CV funds to assist low income families with COVID related payments due. During the program year the City Council approved utilizing CDBG CV funds to assist low income families pay for Utility Payments in arrears, which include water, sewer and garbage. During the program year, a total of 8 households were assisted with paying off their utility payments in arrears.

**Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again**

The City of Clovis doesn't own a dedicated homeless shelter. However, as identified above, the City is an active partner in the MAP services, FMCoC, and has provided grant funding for Butterfly Gardens for permanent supportive housing units in Clovis.

## **CR-30 - Public Housing 91.220(h); 91.320(j)**

### **Actions taken to address the needs of public housing**

The City of Clovis considers the local public housing authority (Fresno Housing) a valuable partner in the provision of affordable housing and supportive services to our residents.

During a previous program year, the City implemented an Affordable Housing Development Impact Fee Reduction program and housing staff is an active participant in the review and processing of affordable housing development applications. The City previously provided \$1,000,000 in grant funding to Fresno Housing for the construction of a 60-unit apartment complex in Clovis for LMI tenants. Construction was completed in June of 2021. Solivita Commons is considered a welcome addition to the City's affordable housing stock.

During the reporting year, the City has also awarded \$1,481,281 in Permanent Local Housing Allocation (PLHA) monies to a local housing developer who is partnering with Fresno Housing to construct an 47-unit affordable multi-family housing project.

Additionally, City staff assists low income residents to access public housing by providing assistance, referrals and information regarding access to Fresno Housing's services.

### **Actions taken to encourage public housing residents to become more involved in management and participate in homeownership**

Clovis competes competitively for State HOME funds for the purpose of operating a first-time homebuyer program for LMI households, and advertises this program throughout the City. The City did not have an operating First Time Homebuyer Program during the reporting period.

Additionally, during the reporting period, in early 2024, the City received a \$415,600 grant from the State of California CalHome program for mortgage assistance for mobile homes. It is anticipated that the program will be implemented in the next year.

### **Actions taken to provide assistance to troubled PHAs**

The Fresno County Housing Authority is not considered to be a troubled PHA.

## **CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)**

**Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)**

During the program year, the City of Clovis started implementation of several new programs intended to remove or ameliorate the potential negative effects of public policies that serve as barriers to affordable housing. Programming that began during the reporting period includes:

1. Development of an Affordable Housing Development Impact Fee Deferral Program, which will provide a loan to affordable housing developers to pay for a portion of major water and sewer fees, depending on the income targeting of the development. Loans are at low interest, due and payable after 17 years.
2. Amendment to the City's zoning ordinance that will change the permitted density for the R-3 Medium Density Zone District from 15 units per acre, to 20 units per acre.
3. Establishment of a Housing Trust Fund to be included in the 2024-2025 City Budget. A total of \$1,000,000 will be set aside in this program for an affordable housing project(s) during the 2024-2025 year. A project will be selected in the upcoming year, and submitted to California HCD for a funding match.
4. Real Property Dedication: the City anticipates deeding real property held in title by the City of Clovis, into the Housing Trust Fund Program, for an affordable housing project(s).
5. Mixed Income Zoning Ordinance: the City has hired a consultant to assist the City in the development of a mixed income zoning ordinance (or fee/land dedication in-lieu, or similar).

## **Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)**

The City of Clovis works to implement the projects described in the Annual Action Plan. The City also pursued additional Federal, State, and private funding, when available, to assist in meeting the underserved needs of Clovis residents. Clovis competes competitively for State HOME funds for the purpose of operating a first-time homebuyer program for LMI households, and advertises this program throughout the City, when funding is available.

Additionally in early 2024 the City was notified it had received a \$415,600 grant from the State of California CalHome program for mobile home mortgage assistance, and \$1,396,626 in CalHome funds for mobile-home home repairs. Staff has started implementation of the housing rehabilitation program during the program year, and will market the home purchase program during the upcoming program year.

The City also committed \$1,481,281 from the State of California Permanent Local Housing Allocation program to an affordable multi-family development, as described above.

### **Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)**

All households assisted with housing rehabilitation funds receive a copy of EPA's brochure "Protect Your Family From Lead in Your Home". As needed, and required, homes will undergo lead hazard testing and assessment.

### **Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)**

Poverty-level families are at constant risk of homelessness, being priced out of the housing market, and experiencing income insecurity. Unfortunately, Clovis does not receive funding specifically for the provision of homeless services or to generally assist poverty level families. However, the City is an active member of the Fresno Madera Continuum of Care, and continues to help Clovis' most vulnerable residents access the services of the region's social service providers. During the program year the City implemented the emergency utilities assistance program, to provide utility assistance to low income families affected by COVID-19. The City also continued its robust economic development programs which include business attraction, job creation, and coordination with local educational institutions to improve economic conditions in Clovis and the greater region. City staff also provides poverty-level families with referrals and information in regards to tenant's rights.

### **Actions taken to develop institutional structure. 91.220(k); 91.320(j)**

Clovis staff is responsible for the administration of the CDBG program. Staff takes full advantage of training opportunities including online, local and regional training and works closely with HUD staff and other counterparts in the region. During the program year, staff has focused on attending Fair Housing and Equal Opportunity training.

### **Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)**

Clovis is an active member of the Fresno Madera Continuum of Care (FMCoC), which is the organization that acts as the regional planning body to address homelessness in the region. City staff sits on the Executive Board and assists in reviewing programmatic applications for HUD funding. Clovis also maintains membership, and is an active participant in the San Joaquin Valley Housing Collaborative who brings training, research and housing development to the Central Valley. The City is also in partnership with Habitat for Humanity and Self Help Enterprises to provide affordable housing opportunities through both homeownership and housing rehabilitation to low-income families, as funding becomes available.

The City actively partners with the local housing authority to provide housing funds for the development of affordable housing developments for low income families, and for permanent supportive housing units.

**Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)**

Clovis continues to refer residents who have a fair housing question/issue to the Fair Housing Council of Central California and works to implement programs in the City's Analysis of Impediments to Fair Housing Choice. Public transit was identified in the City's Analysis of Impediments to Fair Housing Choice as a potential barrier. In order to make the system more available to low-income riders and elderly residents, the Clovis City Council adopted a zero fare policy in the fall of 2020, which was in effect during the program year as well. The elimination of transit fares has alleviated public transportation as an impediment, and has made the option a viable one for residents. Additionally, the City completed a new 4-Factor Analysis and Language Access Plan, which identified two additional languages (apart from English) to provide translation for on vital documents (Spanish and Hmong). Finally, the City updated its Citizen Participation Plan, which now provides a more robust plan for engaging citizens and encouraging public participation.

## **CR-40 - Monitoring 91.220 and 91.230**

**Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements**

The City of Clovis is the lead for monitoring compliance for the CDBG program. The City has established procedures based on HUD guidelines, technical support publications, and HUD monitoring handbooks to ensure the CDBG program is in compliance with applicable rules and regulations. The City's monitoring ranges from administering program wide comprehensive planning requirements as well as day to day activities such as determining income-eligibility, project location eligibility, accounting procedures, and on-site inspections for funded activities. The City's Engineering Department and Public Utilities Department monitors the minority business outreach and Section 3 compliance for all CDBG-funded public works activities.

## **Citizen Participation Plan 91.105(d); 91.115(d)**

**Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.**

A public notice in English, Spanish and Hmong, was published in the Fresno Bee and in the Business Journal on August 30, 2024, regarding the availability of the CAPER. The notice also identified public locations where citizens could review the 2023-2024 CAPER document, and provided instructions on how public comments could be submitted to the City. The public notice was also posted on the City of Clovis website, social media sites, and e-mailed to the CDBG interested parties list-serve. A 15-day comment period was given for the public to review the CAPER and provide feedback or suggestions to staff in regards to the document. The notice also included the date, time, and location of the scheduled public hearing relative to the Clovis City Council's public review and formal adoption of the 2023-2024 CAPER.

**Initial Funding Date:** 09/22/2023

**Description:**

The Program will provide funding assistance for rehabilitation and repair services for low-income owner-occupied single family homes (including mobile homes) to conduct health, safety, accessibility, weatherization, and/or other eligible repairs for approximately 125 homes, over the next five (5) years. Assistance will be provided in the form of a grant, in the amount of up to \$8,000.00 in CDBG funds per home for direct repairs. CDBG funded activities will additionally include all delivery costs including program administration, which includes project management, inspection and construction management of the rehabilitation and/or repair activities. The average total cost for CDBG funds per home is approximately \$9,700, which includes program administration as stated previously. All homes assisted will be located within the incorporated City of Clovis city limits. CDBG grant assistance may be combined with other state and/or local grants or loans (example: State of California-CalHome Program Loans), to provide for additional needed and eligible repairs. The time period for this review program covers July 1, 2023, or soon thereafter, to June 30, 2028 (5 years).
