

Clovis 2024-25 Districting Public Participation Kit

An online version of this map that allows you to zoom in and out for more detail is available as a link from the City website: cityofclovis.com

Each number indicates the total population of that "population unit" area. Each district must have essentially equal population. The population of each of the five districts must be close to 24,092, with no more than a 2,409 difference between the largest and smallest, or each of the four districts must be close to 30,115, with no more than a 3,011 difference between the largest and smallest.

Please use a thick dark-colored pen to draw your map, then submit it at City Hall or by email to councildistricts@clovisca.gov.

You can hand-deliver, mail, fax, scan and email, or photograph and email your map.
